ASSIGNMENT OF PATENT AND TRADEMARK RIGHTS

WITH THIS ASSIGNMENT, POWER T HANDLE, LLC, a North Carolina limited liability company having a place of business at 509 Olde Waterford Way, #204, Leland, NC 28451 (“Assignor”) is entering into an agreement to transfer patent rights to Alphatec Spine, Inc., a California corporation with a principal place of business at 1950 Camino Vida Roble, Carlsbad, California 92008 (“Assignee”).

FOR GOOD AND SUFFICIENT CONSIDERATION, the receipt of which is hereby acknowledged, the Assignor, as the sole and lawful owner of an unencumbered 100% interest in the patents and patent applications set forth on Attachment 1 (the “Assigned Patents”), hereby conveys, transfers, assigns, and delivers to the Assignee, including its successors or legal representatives, 100% interest in the worldwide right and title of the Assigned Patents, including the application(s); any progeny of the applications, such as continuation, divisional, and continuation-in-part applications; any ensuing U.S. or foreign letters patent that may issue from the applications or its progeny; and any patents that may issue from reexamination or reissue proceedings of the ensuing U.S. or foreign letters patent, to the end of the full term of the patents, together with the right to all past, present, and future income, royalties, fees, damages, payments, and other proceeds now or hereafter due or payable with respect to the foregoing, and all rights of action, both at law and in equity with respect thereto, including all rights to sue, settle any claims, and collect all damages for any past, present, or future infringement or misappropriation of, as of the date hereof, the Assigned Patents, including the goodwill of the businesses connected to the use of any of the Assigned Patents, the same to be held and enjoyed by the Assignee, its successors and assigns forever, as fully and entirely as the same could have been held and enjoyed by the Assignor if this Assignment had not been made, and the Assignee does hereby accept such sale, assignment, transfer, grant, conveyance and set over.

FOR GOOD AND SUFFICIENT CONSIDERATION, the receipt of which is hereby acknowledged, the Assignor, as the sole and lawful owner of an unencumbered 100% interest in the trademarks set forth on Attachment 1 (the “Assigned Trademarks”), hereby conveys, transfers, assigns, and delivers to the Assignee, including its successors or legal representatives, 100% interest in the worldwide right and title of the Assigned Trademarks, together with the goodwill of the business symbolized by the Trademarks, for the purpose of granting the Acquired Assets to Assignee, as successor of the business to which the Trademarks relate. Assignor further irrevocably and unconditionally assigns to Assignee the right to bring all claims for past, present, and future infringement, misappropriation, or other violation of the Assigned Trademarks, including all rights to receive and recover all profits and damages accruing from an infringement, misappropriation, or other violation as well as the right to grant releases for past infringements.

Assignor hereby authorizes and requests the Commissioner for Patents in the United States Patent and Trademark Office, or any foreign equivalent thereto, and any other Governmental Body to record the Assignee as owner of the Assigned Patents and Assigned Trademarks, and of the entire title and interest in, to and under the same, for the use and enjoyment of the Assignee, its successors, assigns, and other legal representatives. Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths,
