MEMORANDUM OF SECURITY INTEREST IN TRADEMARKS

United States Department of Commerce
Commissioner of Patents and Trademarks
Box Assignments
Washington, D.C. 20231

Ladies and Gentlemen:

Pursuant to that certain Supplement to Security Agreement, dated as of May 31, 2022 (as amended, restated, amended and restated, supplemented, extended, refinanced or otherwise modified from time to time, the "Supplement"), US PATRIOT, LLC, a South Carolina limited liability company (the "Assignor"), grants to OWL ROCK CAPITAL CORPORATION, a Maryland corporation, as administrative agent for the Lenders under the Credit Agreement referenced in the Supplement, as Assignee (the "Assignee") a security interest in the Trademarks (as such term is defined in the Security Agreement) including the trademarks listed on the annexed Exhibit A, and all applications, registrations, renewals and proceeds (including accounts receivable and royalties). The Assignee's security interest in the Trademarks can only be terminated in accordance with the terms of the Supplement. Nothing herein shall be construed to grant a security interest in any intent-to-use trademark application filed in the United States Patent and Trademark Office pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the accepted filing of a "Statement of Use" and issuance of a "Certificate of Registration" pursuant to Section 1(d) of the Lanham Act or an accepted filing of an "Amendment to Allege Use" whereby such intent-to-use trademark application is converted to a "use in commerce" application pursuant to Section 1(c) of the Lanham Act.

Dated: May 31, 2022

Very truly yours,

US PATRIOT, LLC

By:  _____
