INTELLECTUAL PROPERTY ASSET ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSET ASSIGNMENT (this "Agreement"), effective as of December 30, 2021 from Lumax, LLC, a South Carolina limited liability company ("Assignor"), with an address of 9410 D. Ducks Lane, Suite A, Charlotte, NC 28273, to Hopkins Manufacturing Corporation, a Kansas corporation ("Assignee"), whose address is 428 Peyton Street, Emporia, Kansas, 66801-1157.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confessed by Assignor and Assignee, Assignor does hereby sell, transfer, assign, convey, and deliver to Assignee, its successors and assigns, forever, all of its right, title, and interest in and to the assets stated on Exhibit A attached hereto and all Intellectual Property therein (collectively, the "Assets"), to have and to hold the Assets, together with all and singular the rights and appurtenances thereunto in any way belonging, unto Assignee, its successors and assigns forever.

Assignor covenants and agrees with Assignee that Assignor will execute, acknowledge, and deliver such other and further instruments and will take such other action as may be necessary or desirable to carry out more effectively the intent and purpose of this Agreement.

As used herein, the term "Intellectual Property" means, on a worldwide basis, any and all now known or hereafter known tangible and intangible intellectual and industrial property rights of every kind and nature and however designated, whether arising by operation of law, contract, license, or otherwise, including without limitation: (i) rights associated with works of authorship including, without limitation, copyrights, moral rights and mask-works, (ii) trademark, service marks, trade name rights, logos, designs, product configurations, trade dress, marks indicating the origin of goods and services, certification marks, and similar rights, together with the goodwill represented thereby, (iii) trade secret, confidentiality, and similar rights, (iv) inventions, common law invention rights, patent registrations, including letters patent, and applications, including any and all letters patent granted on any division, continuation, continuation-in-part and reissue of the same; and (v) all income, royalties, damages and payments now or hereafter due or payable with respect to in and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for past, present, and future infringement of any of the foregoing.

This Assignment shall bind and inure to the benefit of Assignor and Assignee and their respective permitted successors and assigns. This Assignment shall be construed in accordance with the laws of the State of Kansas, regardless of the laws that might otherwise govern under applicable principals of conflicts of laws.

IN WITNESS WHEREOF, this Intellectual Property Asset Assignment has been duly executed and delivered by a duly authorized agent of Assignor effective as of the 29 day of December, 2021.
