TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this “Assignment”) is executed and delivered as of, January 31, 2022, by Questar Assessment Inc., a Delaware corporation (“Assignor”) in favor of NWEA, an Oregon non-profit corporation (“Assignee”). Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Asset Transfer Agreement (as amended, modified or supplemented from time to time in accordance with its terms, the “Transfer Agreement”), dated as of September 15, 2021, by and among Assignor, Assignee and Educational Testing Service, a non-profit, non-stock corporation organized and existing under the Education Law of the State of New York.

WHEREAS, Assignor has agreed pursuant to the Transfer Agreement to assign to Assignee all of its right, title and interest in, and to execute this Assignment to enable Assignee to record the assignment of, (i) the trademarks, registrations and applications, and (ii) all foreign counterparts, and extensions of the trademarks, registrations and applications, in each case listed on Schedule 1 hereto (collectively, the “Assigned Marks”).

NOW, THEREFORE, for good and valuable consideration provided in the Transfer Agreement, and other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as follows:

1. Assignor hereby conveys, transfers, and assigns to Assignee any and all right, title, and interest of Assignor in and to the Assigned Marks and all related common-law rights and all goodwill associated therewith (for the sole use and benefit of Assignee and its successors, assigns, or other legal representatives).

2. Assignee is to hold all right, title, and interest in and to the Assigned Marks as fully and exclusively as it would have been held and enjoyed by any Assignor had the assignment in Section 1 not been made.

3. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States to record Assignee as the assignee and owner of the Assigned Marks and to issue any trademarks which may be granted on any applications included in the Assigned Marks to Assignee as assignee of the entire right, title and interest therein and thereto.

4. This Assignment is valid as between the parties as of the Questar Closing Date. Assignor agrees, without additional consideration but at Assignee’s sole cost and expense, to take such further actions and to execute any powers of attorney, applications, assignments, declarations, affidavits, and other papers that are, in each case, reasonably necessary to transfer, vest, record and perfect good, valid and marketable title in the Assigned Marks to the Assignee.

5. Notwithstanding anything to the contrary contained in this Assignment, Assignor makes no representation or warranty herein with respect to the Assigned Marks; provided that nothing in this paragraph shall relieve Assignor of any liability under and subject to the terms and conditions of the Transfer Agreement for the breach of any representation or warranty contained therein.

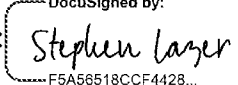

6. To the extent there is a conflict between the terms and provisions of this Assignment and the Transfer Agreement, the terms and provisions of the Transfer Agreement will govern. Nothing contained herein shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the provisions, including the warranties, covenants, agreements, conditions, representations, limitations, indemnities or, in general any of the rights, remedies or obligations of any party set forth in the Transfer Agreement or any other agreement or instrument executed pursuant thereto.

7. This Assignment shall be governed by, and construed and enforced in accordance with the laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction).
