SCHEDULE RE AUTHORIZED SHARES

The authorized capital of the Corporation shall consist of an unlimited number of Common shares, without nominal or par value. The rights, privileges, restrictions and conditions attaching to the Common shares are as set out herein.

1. The rights, privileges, restrictions and conditions attaching to the Common shares (the "Common Shares") are as follows:
 - (a) Payment of Dividends: The holders of the Common Shares shall be entitled to receive dividends if, as and when declared by the board of directors of the Corporation out of the assets of the Corporation properly applicable to the payment of dividends in such amounts and payable in such manner as the board of directors may from time to time determine. Subject to the rights of the holders of any other class of shares of the Corporation entitled to receive dividends in priority to or concurrently with the holders of the Common Shares, the board of directors may in its sole discretion declare dividends on the Common Shares to the exclusion of any other class of shares of the Corporation.
 - (b) Participation upon Liquidation, Dissolution or Winding Up: In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Common Shares shall, subject to the rights of the holders of any other class of shares of the Corporation entitled to receive assets of the Corporation upon such a distribution in priority to or concurrently with the holders of the Common Shares, be entitled to participate in the distribution. Such distribution shall be made in equal amounts per share on all the Common Shares at the time outstanding without preference or distinction.
 - (c) Voting Rights: The holders of the Common Shares shall be entitled to receive notice of and to attend all annual and special meetings of the shareholders of the Corporation and to one (1) vote in respect of each Common Share held at all such meetings.

SCHEDULE RE SHARE TRANSFER RESTRICTIONS

The right to transfer shares or other securities of the Corporation (other than non-convertible debt securities) shall be restricted in that no shareholder or other securityholder shall be entitled to transfer any shares or such other securities of the Corporation without the approval of the directors of the Corporation expressed by resolution passed by the votes cast by a majority of the directors of the Corporation at a meeting of the board of directors or in writing and signed by all of the directors of the Corporation.

SCHEDULE RE OTHER PROVISIONS

1. The directors may, between annual general meetings, appoint one or more additional directors of the Corporation to serve until the next annual meeting, but the number of additional directors shall not at any time exceed one-third of the number of directors who held office at the expiration of the last annual meeting of the Corporation.
2. No securities of the Corporation, other than non-convertible debt securities, shall be transferred to any person without the approval of the Board of Directors.
3. The Corporation has a lien on the shares of a shareholder or his legal representative for a debt of that shareholder to the Corporation, provided that such lien shall be released in respect of shares transferred by such shareholder (or his legal representative) as permitted pursuant to the terms of these articles or any shareholders agreement in respect of the Corporation to which the Corporation is a party.
4. The liability of each of the shareholders of the Corporation for any liability, act or default of the Corporation is unlimited in extent and joint and several in nature.
5. Meetings of directors and shareholders may be held outside Alberta.
