Intellectual Property Right means, in relation to the Security Provider:

- (a) any intellectual property rights owned by the Security Provider from time to time, including but not limited to, patents, copyrights, trademarks, design rights, service marks, trade names, database rights, breeder's rights, know how, domain names, supplementary protection certificates, topographical or any similar rights; and
- (b) any application for registration, and the right to apply for registration, for any of the rights set out under paragraph (a),

in each case, regardless of whether the intellectual property right is registered, but excluding any moral rights;
