**TRADEMARK ASSIGNMENT AGREEMENT**

This TRADEMARK ASSIGNMENT AGREEMENT (this “Agreement”), dated as of December 8, 2020, is made by and between ISG TECHNOLOGIES INC., a Delaware corporation, with an address of 1209 Orange Street, 19801 Wilmington, Delaware, United States of America (the “Assignor”) and ARCELORMITTAL, a Luxembourg “Société anonyme” company, with an address of 24-26 Boulevard d’Avranches, L-1160 Luxembourg, G.D. Luxembourg (the “Assignee”).

## WITNESSETH:

WHEREAS, the Assignor hereby agrees to sell, assign, transfer and deliver to the Assignee, and the Assignee hereby agrees to purchase and acquire from the Assignor, all of the Assignor’s right, title and interest in, to and under the U.S. registered trademark listed in Schedule 1 hereto, and all other MARTINSITE and/or MARTINSITE trademarks and service marks in the United States and all other countries and jurisdictions in the world, together with all common law rights related thereto and all applications, registrations, renewals and unregistered trademarks in connection therewith and all goodwill of any business associated with any of the foregoing (collectively, all such trademarks, service marks and goodwill, the “Assigned Trademarks”);

WHEREAS, Assignor is the owner of the Assigned Trademarks, and Assignee is the successor to that portion of the business to which the Assigned Trademarks pertain and such business is existing and ongoing;

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained herein and in this Agreement, the sufficiency of which is hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Definitions. Capitalized terms used herein and not defined herein have the meanings set forth in that Transaction Agreement, by and between Assignee and Cleveland-Cliffs Inc., dated as of September 28, 2020.

Section 2. Assignment. Assignor hereby irrevocably sells, transfers, conveys, assigns and delivers to the Assignee (and its successors and assigns), and Assignee (and its successors and assigns) hereby purchases, assumes and accepts from Assignor, all of Assignor’s right, title and interest in, to and under the Assigned Trademarks, including without limitation, (a) to sue and counterclaim for and recover and retain damages and lost profits and obtain equitable relief for future, present and past infringement, misappropriation, dilution or other violation thereof, (b) to collect past and future royalties and other payments thereunder, (c) to claim priority thereon under any law, (d) to prosecute, register, maintain and defend the Assigned Trademarks before any public or private agency, office or registrar, (e) to fully and entirely stand in the place of Assignor (or its controlled Affiliates), as applicable, in all matters related thereto, and (f) all other rights corresponding thereto throughout the respective countries where Assignor holds rights in the Assigned Trademarks.

Section 3. Recordation. Assignor hereby authorizes the Director of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the Assigned Trademarks and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Agreement.

Section 5. Governing Law. Any disputes arising out of or relating to this Agreement, including, without limitation, to its execution, performance or enforcement, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of Laws thereof.

Section 6. Entire Agreement. This Agreement and the Schedule hereto contain the entire agreement between the parties hereto with respect to the subject matter hereof and supersede all previous agreements, negotiations, discussions, writings, understandings, commitments and conversations with respect to such subject matter, and there are no agreements or understandings between the parties hereto with respect to the subject matter hereof other than those set forth or referred to herein or therein. No provisions of this Agreement shall be deemed waived, amended, supplemented or modified by any party hereto, unless such waiver, amendment, supplement or modification is in writing and signed by the authorized representative of each party hereto.

Section 7. Further Assurances. Each party hereto covenants and agrees that, without any additional consideration, it shall execute and deliver any further legal instruments and perform any acts that are or may become necessary to effectuate this Agreement.

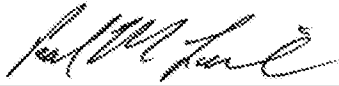

Section 8. Counterparts. This Agreement may be executed in one or more counterparts, all of which counterparts shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each party hereto and delivered to the other party. This Agreement may be executed by facsimile or PDF signature and scanned and exchanged by electronic mail, and such facsimile or PDF signature or scanned and exchanged copies shall constitute an original for all purposes.

*[Signature Pages Follows]*
