## SUPPLEMENT TO INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS SUPPLEMENT TO INTELLECTUAL PROPERTY SECURITY AGREEMENT (the "Supplement") made as of this 15<sup>th</sup> day of June 2022, by SPECIALTY COATING & LAMINATING, LLC, a Delaware limited liability company ("Grantor"), with an address at 10351 Verdon Road, Doswell, VA 23047, in favor of MANUFACTURERS AND TRADERS TRUST COMPANY ("Lender"), with an address at 25 South Charles Street, Baltimore, MD 21201:

### W I T N E S S E T H

WHEREAS, Grantor and Lender are parties to a certain Intellectual Property Security Agreement dated as of July 20, 2018 (as the same heretofore may have been and hereafter may be amended, amended and restated, supplemented or otherwise modified from time to time, the "IP Agreement"). Capitalized terms used herein but not otherwise defined herein shall have the meanings given thereto in the IP Agreement;

WHEREAS, pursuant to the terms of the IP Agreement, to secure the prompt payment and performance of all Obligations Lender, Grantor has assigned, pledged and granted to Lender, for its benefit, a continuing security interest in and to and Lien on all of Grantor's right, title and interest in, to and under the Intellectual Property Collateral of Grantor, all whether now owned or hereafter created, arising and/or acquired; and

WHEREAS, also pursuant to the IP Agreement, Grantor has agreed that upon the acquisition by Grantor of any new Registered Intellectual Property, Grantor shall deliver to Lender a Supplement to the IP Agreement in the form of Exhibit A to such IP Agreement pursuant to which Grantor shall reconfirm the grant by it of a security interest in all such newly acquired Registered Intellectual Property, which such Supplement is intended by the parties to be filed with the United States Patent and Trademark Office and/or United States Copyright Office, as applicable.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged by each party hereto, and intending to be legally bound, and with the foregoing background and recitals incorporated by reference, Grantor agrees as follows:

1. Grant and Reaffirmation of Grant of Security Interests. Without limiting any other grant of Lien by Grantor in any Collateral under the Loan Agreement or any Other Document, to secure the prompt payment and performance of all Obligations to Lender, Grantor hereby assigns, pledges and grants to Lender, for its benefit, a continuing security interest in and to and Lien on all of Grantor's right, title and interest in, to and under the following Collateral of Grantor, all whether now owned or hereafter created, arising and/or acquired:

(a) the newly acquired Registered Intellectual Property listed on Schedule 1 to this Supplement (together with all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing);

(b) all goodwill of the business connected with the use of, and symbolized by, any trademark and trademark application covered by (a) above; and

(c) all other property otherwise constituting Intellectual Property Collateral relating to the foregoing.

Grantor agrees that all such newly acquired Intellectual Property Collateral described above shall be included in and be part of the Intellectual Property Collateral under and subject to all of the terms and provisions of the IP Agreement. Grantor hereby authorizes Lender to file and record a copy of this Supplement with the United States Patent and Trademark Office and/or United States Copyright Office, as applicable.

2. Representations and Warranties. Grantor hereby represents and warrants to Lender that Schedule I hereto sets forth a full, complete and correct list of all Registered Intellectual Property Collateral owned by Grantor as of the date hereof not listed on Schedule 1 to the original IP Agreement or any Schedule to any other Supplement to the original IP Agreement delivered by Grantor since the date thereof.

3. Incorporation of the IP Agreement. The terms and provisions of the IP Agreement are hereby incorporated by reference and this Supplement shall be considered an amendment and supplement to and part of the IP Agreement, all of the provisions of which IP Agreement are and remain in full force and effect.

4. Counterparts. This Supplement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any signature delivered by a party by facsimile or electronic transmission shall be deemed to be an original signature hereto.
