AMENDMENT TO INTELLECTUAL PROPERTY ASSIGNMENT

This amendment (hereinafter "Amendment" is entered into on December 1, 2021 by and between Delaware Capital Formation, Inc., a Delaware corporation (hereinafter "Assignor") and Electrolux Professional US Holdings, Inc., a Delaware corporation (hereinafter "Assignee") Assignor and Assignee are hereinafter collectively referred to as the "Parties", and individually as a "Party".

THE PARTIES AGREE AS FOLLOW:

Purpose

The terms and conditions set forth below in this Amendment supersede all prior terms and conditions concerning the same matters included in the Intellectual Property Assignment entered into by the Parties as of December 1, 2021.

Save for what is agreed in the present Amendment, all other terms and conditions included in the Intellectual Property Assignment will continue to apply.

1. Assignment. For good and valuable consideration, including the consideration paid in connection with the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor's right, title, and interest in and to all of the Acquired IP, together with any and all goodwill symbolized thereby, including but not limited to:

- a. the Trademarks set forth on Schedule 1;
- b. the Copyrights set forth on Schedule 2;
- c. the Trade Secrets set forth on Schedule 3;
- d. all rights of any kind whatsoever of Assignor accruing under any of the Acquired IP provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
- e. any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the Acquired IP; and
- f. any and all claims and causes of action with respect to any of the Acquired IP, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

IN WITNESS WHEREOF, the Parties have duly executed and delivered this Amendment as of the date first above written.

INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (“**IP Assignment**”) dated as of December 1, 2021 is entered into between Delaware Capital Formation, Inc., a Delaware corporation (“**Assignor**”) and Electrolux Professional US Holdings, Inc., a Delaware corporation (“**Assignee**”) as purchaser of certain assets of Seller pursuant to that certain Purchase and Sale Agreement among Revod Corporation, Assignor, and Assignee, dated as of October 11, 2021 (the “**Purchase Agreement**”).

Whereas, pursuant to the Purchase Agreement, Assignor has agreed to execute and deliver this IP Assignment to Assignee, which the parties agree is suitable for recording with the United States Patent and Trademark Office and the United States Copyright Office.

Now, therefore, the parties agree as follows.

1. Assignment. For good and valuable consideration, including the consideration paid in connection with the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor’s right, title, and interest in and to all of the Acquired IP, including but not limited to:
 - a. the Trademarks set forth on Schedule 1;
 - b. the Copyrights set forth on Schedule 2;
 - c. the Trade Secrets set forth on Schedule 3;
 - d. all rights of any kind whatsoever of Assignor accruing under any of the Acquired IP provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
 - e. any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the Acquired IP; and
 - f. any and all claims and causes of action with respect to any of the Acquired IP, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.
2. Definitions. Defined terms used but not defined in this IP Assignment shall have the meanings given to them in the Purchase Agreement.
3. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the Register of Copyrights in the United States Copyright Office to record and register this IP Assignment upon request by Assignee.

4. Terms of the Purchase Agreement. The parties hereto acknowledge and agree that this IP Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of the parties with respect to the Acquired IP. The representations, warranties, covenants, agreements, and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

5. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

6. Governing Law. This IP Assignment shall be governed by and construed and interpreted according to, and any matters arising out of, relating to or in connection with this IP Assignment shall be governed by, the Laws of the State of Delaware, excluding any choice of law rules that may direct the application of the Laws of another jurisdiction. Each party stipulates that any dispute shall be commenced and prosecuted in its entirety in, and consents to the exclusive jurisdiction and proper venue of, any federal court located within the State of Delaware, and each party consents to personal and subject matter jurisdiction and venue in such courts and waives and relinquishes all right to attack the suitability or convenience of such venue or forum by reason of their present or future domiciles, or by any other reason. The parties acknowledge that all Orders issued by the forum court will be binding and enforceable in all jurisdictions and countries. Without limiting any other means of service, each party agrees that service of any process, summons, notice or document with respect to any Proceeding may be served on it in accordance with the notice provisions set forth in Section 11.7 of the Purchase Agreement. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING ARISING OUT OF OR RELATING TO THIS IP ASSIGNMENT.

[Signature pages follow.]

IN WITNESS WHEREOF, the parties have duly executed and delivered this IP Assignment as of the date first above written.
