TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of June 7, 2022, is made by CATCHPOINT SYSTEMS, INC., a Delaware corporation ("Catchpoint") and each of the other Persons listed on the signature pages hereto as a "Grantor" (each a "Grantor" and, collectively, the "Grantors"), in favor of ALLY BANK, as collateral agent (in such capacity, together with its successors and permitted assigns, the "Collateral Agent") for the Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of June 7, 2022 (as the same may be amended, restated, amended and restated, supplemented or modified from time to time, the "Credit Agreement"), among Catchpoint Systems, Inc., a Delaware corporation ("Catchpoint" and, together with each other Person from time to time party to the Credit Agreement as a "Borrower", collectively, the "Borrowers"), the other persons party thereto as Credit Parties, the Lenders from time to time party thereto, the Collateral Agent and Ally Bank, as administrative agent for the Secured Parties, the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, pursuant to the terms of that certain Guaranty and Security Agreement, dated as of June 7, 2022 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Security Agreement"), by and among the Grantors, the other Persons from time to time party thereto as "Grantors" and the Collateral Agent, each Grantor has granted to the Collateral Agent, for the benefit of itself and the other Secured Parties, a security interest in substantially all of its Collateral, including all right, title and interest of such Grantor in and to the Trademark Collateral (as hereinafter defined) now or hereafter owned by such Grantor to secure the payment of the Secured Obligations;

WHEREAS, pursuant to the Guaranty and Security Agreement, the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Agents and the other Secured Parties to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby mortgages, pledges and hypothecates to the Collateral Agent for the benefit of the Secured Parties, and grants to the Collateral Agent, for the benefit of the Secured Parties, a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

(a) all of its Trademarks, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

provided, however, notwithstanding the foregoing, no Lien or security interest is hereby mortgaged, pledged or hypothecated to or granted on any Excluded Property and such Excluded Property shall not be deemed to be "Collateral"; provided, further, that if and when any property shall cease to be Excluded Property, a Lien on and security in such property shall be automatically deemed granted therein and such property shall be automatically deemed to be "Collateral" without further action required by any Person.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall, subject to its reasonable business judgment, assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or Electronic Transmission shall be as effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

Section 6. Governing Law. This Trademark Security Agreement and all matters arising out of, in connection with or relating to this Trademark Security Agreement, including its validity, construction, performance and enforcements (including any claims sounding in contract or tort law arising out of the subject matter hereof and any determinations with respect to post-judgment interest) shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

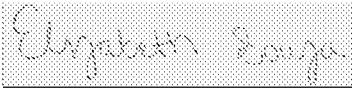

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
