TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this “Agreement”) is entered into as of June 23, 2022 by and among CRANETECH INC. (“Grantor”), and BALANCE POINT CAPITAL PARTNERS IV, L.P., a Delaware limited partnership (“Balance Point”), as the administrative agent for itself and any future assigns (in such capacity the “Administrative Agent”).

RECITALS

A. The Lenders have agreed to make loans and to extend certain financial accommodations to Grantor in the amounts and manner set forth in that certain Credit Agreement, dated as of the date hereof (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, including any replacement agreement therefor, the “Credit Agreement”), by and among Steel River Crane Holdco, LLC, a Delaware limited liability company (“Holdings”), ERA Services Holdco, Inc., a Delaware corporation (“ERA Holdco”), Steel River Texas Holdco, LLC, a Delaware limited liability company (“Steel River Holdco”), and CraneTech Inc., a California corporation (“CraneTech”) (together with ERA Holdco and Steel River Holdco, collectively, jointly and severally, the “Borrowers”); each lender from time to time party hereto (collectively, the “Lenders” and individually, a “Lender”); Modern Bank, N.A., as revolving/payment agent for the Lenders (in such capacity, the “Revolving/Payment Agent”); and Balance Point Capital Partners IV, L.P., as administrative agent for the Lenders (in such capacity, the “Administrative Agent”; the Revolving/Payment Agent and the Administrative Agent, each, an “Agent” and together, the “Agents”). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Credit Agreement. The Lenders are willing to make loans and grant certain financial accommodations to Grantor, but only upon the condition, among others, that the Grantor shall grant to Administrative Agent, for the benefit of itself and the Lenders, a security interest in certain Trademarks to secure the obligations of Grantor under the Credit Agreement;

B. Pursuant to that certain Guaranty Agreement dated as of the date hereof delivered by the Guarantors in favor of the Administrative Agent (as amended, restated, amended and restated, modified or supplemented from time to time, the “Guaranty”), the Guarantors have agreed to guaranty the obligations of the Borrowers and the other Loan Parties under the Loan Documents; and

C. Pursuant to the terms of that certain Security Agreement dated as of the date hereof, by and among Administrative Agent, Grantor and the other “grantors” party thereto from time to time (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, including any replacement agreement therefor, the “Security Agreement”), Grantor has granted to Administrative Agent, for the benefit of itself and the Secured Parties, a security interest in all of the Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its Obligations under the Credit Agreement, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its Obligations under the Credit Agreement, the Grantor grants and pledges to Administrative Agent, for the benefit of itself and the other Lenders, a security interest in all of such Grantor’s rights, title and interest in, to and under its Trademarks (including without limitation the Trademarks listed on Exhibit A hereto, but excluding any Excluded Collateral), and including without

limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof, in each case to the extent constituting Collateral (collectively, the “Trademark Collateral”).

This security interest is granted in conjunction with the security interest granted to Administrative Agent under the Security Agreement. The rights and remedies of Administrative Agent with respect to the security interest granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Administrative Agent’s rights and remedies under this Agreement, the Credit Agreement and the Loan Documents shall be cumulative and Administrative Agent shall have all other rights and remedies not inconsistent with this Agreement and the Credit Agreement as provided by law or in equity. In the event of any conflict or inconsistency between this Agreement and the Credit Agreement (or any portion hereof or thereof), the terms of the Credit Agreement shall prevail.

This Agreement shall terminate and the Lien on and security interest in the Trademark Collateral shall be released upon the payment and performance in full of the Obligations (other than contingent indemnification obligations to the extent no claim giving rise thereto has been asserted). Upon the termination of this Agreement, the Administrative Agent shall, at the sole cost and expense of Grantor, execute all documents, make all filings, take all other actions reasonably requested by Grantor to evidence and record the release of the Lien on and security interests in the Trademark Collateral granted herein.

Grantor represents and warrants that Exhibit A attached hereto sets forth, as of the date hereof, any and all intellectual property rights constituting Trademark Collateral, which the Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument. Facsimile and electronic transmissions (e.g., .pdf format) of any executed original document and/or retransmission of any executed facsimile or electronic transmission shall be deemed to be the same as the delivery of an executed original.
