TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT ("**Assignment**"), effective as of August 27, 2021, (the "**Effective Date**"), is by and between **Riggs Distler & Company, Inc.**, a Maryland corporation, ("**Assignor**") and **Centuri Group, Inc.**, a Nevada corporation ("**Assignee**").

WHEREAS, as of the Effective Date Assignor was the equitable owner and record owner of trademarks and service marks used in connection with Assignor's business (the "**Trademarks**"), including the mark **RIGGS DISTLER, registered on July 17, 2018, as No. 5,518,186**; and

WHEREAS, Assignee has acquired from Assignor certain assets and intellectual property relating to the business, goods and services identified by the Trademarks and is desirous of acquiring all of Assignor's entire right, title, and interest in and to the Trademarks and the goodwill of the business associated therewith.

NOW, THEREFORE, for \$10 USD and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor does hereby sell, assign and transfer to Assignee, its successors and assigns, absolutely and forever as of the Effective Date, its entire right, title and interest, whether statutory or at common law, in and to the Trademarks, together with goodwill of the business symbolized by the Trademarks throughout the world, and such other trademarks, service marks, trade names and trade dress as may be owned by Assignor and used in connection with the Trademarks or the acquired assets, and all registrations and pending applications therefor, in the United States of America, its territories and possessions, and foreign countries and jurisdictions, together with all causes of action for any and all previously occurring infringements of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.

2. As of the Effective Date, all right, title and interest in the Trademarks shall be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Without limitation to the foregoing, Assignor assigns with the Trademarks all associated income, royalties, damages and payments due from or payable by any third party (including, without limitations, damages and payments for past, present, or future infringements or misappropriations thereof) and any and all corresponding rights that, now or hereafter, may be secured throughout the world.

3. Assignor agrees to execute further papers and to do such other acts as may be necessary and proper to vest full title in and to the Trademarks, and any applications or registrations therefore, in Assignee.

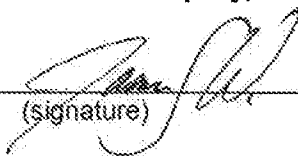

4. Assignor agrees and undertakes that it will not facilitate or assist any other person or entity to: (1) challenge the validity of this Assignment; (2) oppose or otherwise challenge any registrations, renewals, or applications for registration of the Trademarks in the U.S. or any other country in the name of Assignee; (3) challenge Assignee's rights to use, license or otherwise deal with the Trademarks in the U.S. or any other country; or (4) use the Trademarks (or any substantially identical or deceptively similar trademarks) in the U.S. or any other country after the Effective Date of this Assignment, unless Assignor has the express, written authorization of Assignee to do so.

5. Assignor hereby represents and warrants that it has the full right to convey the entire right, title and interest in the Trademarks herein assigned.

6. This Assignment may be executed in any number of counterparts, all such counterparts shall be deemed to constitute one and the same instrument, and each of the executed counterparts shall be deemed an original hereof.
