INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

(Trademark, Trademark Registrations, Trademark Applications and Trademark Licenses)

May 9, 2022

WHEREAS, Fintech Meetup, LLC, a Delaware limited liability company (herein referred to as the "Grantor") owns, or in the case of licenses is a party to, the Intellectual Property Collateral (as defined below);

WHEREAS, the Grantor, certain lenders, Barclays Bank Plc, as security agent, and certain others are parties to a Senior Term and Revolving Facilities Agreement dated November 22, 2017 (as amended, supplemented or otherwise modified from time to time, most recently by an amendment and restatement dated 23 December 2021, the "Senior Facilities Agreement"); and

WHEREAS, pursuant to (i) a Security Agreement dated as of January 31, 2020 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement") entered into among, *inter alios*, the Grantor and Barclays Bank Plc, as Security Agent (the "Security Agent", which expression shall include its successors, assigns and transferees) and (ii) certain other Security Agreement Documents (including this Intellectual Property Security Agreement Supplement), the Grantor has secured the Secured Obligations (as defined in the Senior Facilities Agreement) by granting to the Security Agent as security agent for the Secured Parties (as defined in the Senior Facilities Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Intellectual Property Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Security Agent, to secure the Secured Obligations (as defined in the Senior Facilities Agreement), a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property (other than Excluded Property (as defined in the Security Agreement) , being herein collectively referred to as the "Intellectual Property Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each Trademark (as defined in the Security Agreement) owned by the Grantor, including, without limitation, each Trademark registration and application referred to in Schedule I hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(ii) each Trademark License (as defined in the Security Agreement) to which the Grantor is a party, including, without limitation, each Trademark License identified in Schedule I hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Grantor against third parties for past, present or future unfair competition with, or violation of, intellectual property rights in connection with any injury to, or infringement or dilution of any Trademark owned by the Grantor (including, without

limitation, any Trademark identified in Schedule 1 hereto) or for the goodwill associated with any of the foregoing; and

(iv) all rights and benefits of the Grantor under any Trademark License (including, without limitation, any Trademark License identified in Schedule 1 hereto).

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Security Agent pursuant to the Security Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest in the Intellectual Property Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. This Intellectual Property Security Agreement Supplement is subject in all respects to the terms and provisions of the Security Agreement. Unless otherwise agreed in writing by the parties hereto, the security interests granted herein will terminate (and all rights to the Intellectual Property Collateral will revert to the Grantor) in accordance with Section 17 of the Security Agreement.

This Intellectual Property Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York. The Grantor agrees that any suit for the enforcement of this Intellectual Property Security Agreement Supplement may be brought in the courts of the State of New York or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Grantor by mail at the address specified in the Security Agreement. The Grantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

This Intellectual Property Security Agreement Supplement may be executed in two or more separate counterparts, each of which shall constitute an original and all of which shall collectively and separately constitute one and the same agreement.

In case of any inconsistencies between the terms of this Intellectual Property Security Agreement Supplement and those of the Security Agreement, the Security Agreement shall prevail.
