TRADEMARK AND PATENTS SECURITY AGREEMENT

TRADEMARK AND PATENTS SECURITY AGREEMENT, dated as of June 24, 2022 (this "Agreement"), by Sterisil, Inc., a Colorado corporation (the "Grantor"), in favor of MIDCAP FINANCIAL TRUST, in its capacity as administrative agent pursuant to the Credit Agreement (as defined in the Guarantee and Collateral Agreement, defined below) (in such capacity, together with its successors and assigns in such capacity, the "Administrative Agent"), for the benefit of the Secured Parties.

WITNESSETH:

WHEREAS, the Grantor is party to a Guarantee and Collateral Agreement dated as of January 14, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement") in favor of the Administrative Agent, for the benefit of the Secured Parties, pursuant to which the Grantor is required to execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Guarantee and Collateral Agreement and used herein have the meaning given to them in the Credit Agreement or the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in and continuing Lien on, all of its right, title and interest in the following Collateral (excluding any Excluded Assets) of the Grantor: all Trademarks and Patents of the Grantor, including without limitation, those Trademarks and Patents listed on Schedule I attached hereto. Notwithstanding anything herein to the contrary, in no event shall the Collateral include or the security interest or Lien granted under this Section attach to any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal Law.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent, for the benefit of the Secured Parties, pursuant to the Guarantee and Collateral Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks and Patent made and granted hereby and thereby are more fully set forth in the Guarantee and Collateral Agreement, the terms of which are incorporated herein by reference. In the event that any provision of this

Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

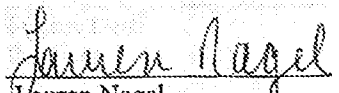

SECTION 4. Termination. Upon the termination of the Guarantee and Collateral Agreement, the Administrative Agent shall, at the expense of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks and Patents under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.

[Signature pages follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
