**AMENDED AND RESTATED  
TRADEMARK SECURITY AGREEMENT**

AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of June 28, 2022 (as amended, restated, supplemented or otherwise modified, this “Agreement”), among **W. ATLEE BURPEE COMPANY**, a Pennsylvania corporation (“Grantor”) and CITIZENS BANK, N.A., as Lender (in such capacity, the “Lender”).

Reference is made to (a) the Amended and Restated Credit Agreement, dated as of even date herewith, among Grantor, **BURPEE GARDEN PRODUCTS COMPANY, LLC**, a Delaware limited liability company (“BGPC”), **THREE HUNDRED PARK AVENUE REALTY, LP**, a Pennsylvania limited partnership (“THPAR” and, together with Grantor, BGPC, and each other Person joined thereto as a borrower from time to time, each a “Borrower” and, collectively, the “Borrowers”), and Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), and (b) the Amended and Restated Pledge and Security Agreement, dated as of even date herewith, among the Borrowers, the Guarantors party thereto and Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”).

Lender has agreed to extend credit to Borrowers subject to the terms and conditions set forth in the Credit Agreement, the Guarantors have guaranteed the Secured Obligations and the Grantors have secured their obligations pursuant to the Security Agreement. The obligation of Lender to extend such credit is conditioned upon, among other things, the execution and delivery of this Agreement.

Accordingly, the parties hereto agree as follows:

1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement.

2. Grant of Security Interest. As security for the payment or performance, as applicable, in full when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to Lender (and its successors and assigns) a security interest in, all such Grantor’s right, title and interest in, to or under any and all of the following assets now owned or at any time hereafter acquired (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, uniform resource locations (URL’s), domain names, designs and general intangibles of like nature, now existing or hereafter adopted or acquired and all registrations and recordings thereof and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, in each case described on Schedule I and all reissues, renewals, continuations and extensions thereof and amendments thereto (the “Trademarks”),

(b) all reissues, continuations, extensions and renewals thereof and amendments thereto,

(c) all goodwill associated therewith or symbolized by any of the foregoing,

(d) all income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, and

(e) all other assets, rights and interests that uniquely reflect or embody such goodwill.

3 Security Agreement. The security interests granted to Lender herein are granted in furtherance, and not in limitation of, the security interests granted to Lender pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

4 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement.

5. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

6. Amendment and Restatement. This Agreement amends and restates, but does not extinguish, the obligations evidenced by that certain Trademark Security Agreement, dated as of October 30, 2020, between Grantor and Lender, as administrative agent under the Existing Credit Agreement.

[Signature page follows]
