RELEASE OF SECURITY INTEREST IN TRADEMARK COLLATERAL

THIS RELEASE OF SECURITY INTEREST IN TRADEMARK COLLATERAL (this “Release”), dated as of April 8, 2022, is made by U.S. Bank Trustees Limited (the “Agent”) in favor of Reichhold LLC 2, a Delaware limited liability company (the “Grantor”). Unless otherwise defined herein terms used in this Release, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement or Trademark Security Agreement (each as hereinafter defined), as applicable.

WITNESSETH:

WHEREAS, pursuant to that certain US Pledge and Security Agreement, dated as of May 17, 2017, made by the Grantor, the other assignors from time to time party thereto and the Agent (as amended, modified, restated and/or supplemented from time to time, the “Security Agreement”), the Grantor pledged and granted to the Agent, for the benefit of the Primary Secured Creditors, a Security Interest in certain Collateral, including the IP Collateral (as hereinafter defined);

WHEREAS, in connection with the Security Agreement, the Grantor and the Agent entered into that certain Short-Form Trademark Security Agreement, dated as of May 17, 2017 (the “Trademark Security Agreement”), pursuant to which the Grantor pledged to the Agent as collateral security, and granted to the Agent a security interest in, to and under (i) the Trademark Collateral, including the Trademarks set forth on Schedule A hereto, (ii) all goodwill associated therewith or symbolized thereby, (iii) all Proceeds and products of the Trademark Collateral, and (iv) all rights to sue at law or in equity for any infringement or other impairment thereof of any of the Trademark Collateral (collectively, the “IP Collateral”);

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office on May 17, 2017 at Reel 6061, Frame 0831; and

WHEREAS, the Agent now desires to discharge fully, terminate and release the Trademark Security Agreement and the entirety of its security interest in, to and under the IP Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms set forth in this Release, the Agent hereby agrees as follows:

1. Release of Security Interest. The Agent hereby (i) terminates and cancels the Trademark Security Agreement, (ii) terminates, discharges fully, cancels, releases, and relinquishes in its entirety, its security interest in, to and under the IP Collateral, and (iii) reassigns to the Grantor any right, title or interest of the Agent in the IP Collateral (if any). The Agent hereby authorizes the Grantor and their successors, assigns or other legal representatives to file this Release with the United States Patent and Trademark Office and any other relevant office or registrar, at the sole expense of the Grantor, to evidence and effectuate the release and termination of the Agent’s security interest in the IP Collateral.

3. Delivery by Facsimile. Delivery of an executed signature page to this Release by facsimile or electronic (including .pdf file) transmission shall be as effective as delivery of a manually signed counterpart of this Release. The words “execution,” “signed,” “signature,” and words of like import in this Release or in any amendment or other modification hereof (including waivers and consents and any supplements) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
