SHORT FORM  
IP SECURITY AGREEMENT

This IP SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Short Form IP Security Agreement”) dated June 30, 2022, is made by MSG Chicago, LLC, a Delaware limited liability company (the “Grantor”), in favor of JPMorgan Chase Bank, N.A., as Administrative Agent (the “Administrative Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement referred to therein.

WHEREAS, MSG National Properties, LLC (the “Company”), MSG Entertainment Group, LLC and the subsidiaries of the Company from time to time party thereto, as Guarantors, JPMorgan Chase Bank N.A., as Administrative Agent (the “Administrative Agent”) and each lender from time to time party thereto (collectively, the “Lenders” and, individually, a “Lender”) have entered into the Credit Agreement dated June 30, 2022 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have severally agreed to extend credit to the Company subject to the terms and conditions set forth in the Credit Agreement.

WHEREAS, in connection with the Credit Agreement, the Grantor has entered into the Security Agreement dated June 30, 2022 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in order to induce the Lenders to extend credit.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed as a condition thereof to execute this Short Form IP Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein and not defined have the meaning given to them in the Security Agreement, or if not defined therein, in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademarks. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, all of the Grantor’s right, title or interest in or to any and all of the Registered IP Collateral, including the Trademarks listed on Schedule I hereto (including, with respect to such Trademarks, all goodwill symbolized thereby), and any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, breach or other violation with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover proceeds arising from such damages (the “Security Interest”).

SECTION 3. Security Agreement and Credit Agreement. The Security Interest granted pursuant to this Short Form IP Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and Credit Agreement, and the Administrative Agent and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Security Interest in the Registered IP Collateral made and granted hereby, as well as the terms governing termination and release of the Security Interest, are more fully set forth in the Security Agreement and Credit Agreement, the terms and provisions of which are incorporated by reference

herein as if fully set forth herein. If any provision of this Short Form IP Security Agreement is deemed to conflict with the Security Agreement or Credit Agreement, the provisions of the Security Agreement or Credit Agreement will control.

SECTION 4. Counterparts. This Short Form IP Security Agreement may be executed in one or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same instrument. Delivery by telecopier, “.pdf”, “.tif” or other electronic imaging means of an executed counterpart of a signature page to this Short Form IP Security Agreement will be effective as delivery of a manually executed counterpart of this Short Form IP Security Agreement. This Short Form IP Security Agreement will become effective as of the date signed by the Grantor, and thereafter will be binding upon the Grantor and the Administrative Agent and their respective permitted successors and assigns. The Administrative Agent may also require that any such documents and signatures delivered by telecopier, .pdf or other electronic imaging means be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier, “.pdf”, “.tif” or other electronic imaging means.

SECTION 5. Recordation. This Short Form IP Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the Commissioner for Trademarks record this Short Form IP Security Agreement.

SECTION 6. Governing Law. This Short Form IP Security Agreement will be governed by, and construed and enforced in accordance with, the laws of the State of New York, without reference to its conflicts of laws provisions.

*[Remainder of Page Intentionally Blank]*

IN WITNESS WHEREOF, Grantor has caused this Short Form IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
