TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "Agreement") made as of June 30, 2022 by Slappey Communications, LLC, a Texas limited liability company ("Grantor"), in favor of Spell Capital Mezzanine Partners SBIC II, LP, a Delaware limited partnership ("Spell") and NorthCoast Mezzanine SBIC III, LP, a Delaware limited partnership ("NorthCoast", individually and collectively with Spell, "Grantee"):

W I T N E S S E T H

WHEREAS, Grantor, Grantee and the other parties thereto are parties to that certain Note Purchase Agreement dated as of October 30, 2020 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Note Purchase Agreement") providing for the purchase by the Grantee of notes issued by the Grantor;

WHEREAS, pursuant to the terms of that certain Security Agreement dated as of October 30, 2020 among Grantor, Grantee and the other parties thereto (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), Grantor has granted to Grantee a security interest in substantially all of Grantor's assets, including, without limitation, all right title and interest of Grantor in, to and under all now owned and hereafter acquired or arising (a) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith (other than "intent to use" applications until a verified statement of use or an amendment to alleged use is filed with respect to such applications); (b) all renewals thereof; (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing, under licenses of the foregoing, or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing; (d) the right to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing (collectively, "Trademarks") and all products and proceeds thereof, to secure the payment of all of the Liabilities;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Note Purchase Agreement and Security Agreement. The Note Purchase Agreement and the Security Agreement and the respective terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Note Purchase Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Liabilities, Grantor hereby grants to Grantee,

and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

3. Warranties and Representations. Grantor warrants and represents to Grantee that:

(i) Grantor is the sole and exclusive owner of the entire unencumbered right, title and interest in and to each Trademark of Grantor, free from any Liens or other restrictions, claims, rights, encumbrances or burdens (other than Permitted Liens);

(ii) Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iii) Grantor has the limited liability company power and authority to execute and deliver this Agreement and perform its terms.

4. Restrictions on Future Agreements. Grantor agrees that until the Liabilities have been paid in full pursuant to the terms of the Note Purchase Agreement, Grantor shall not, without the prior written consent of Grantee, sell or assign its interest in, or grant any license under, any Trademark or enter into any other agreement with respect to any Trademark, and Grantor further agrees that, except as otherwise specifically provided herein, it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Grantee under this Agreement.

5. New Trademarks. If, before the Liabilities have been paid in full pursuant to the terms of the Note Purchase Agreement, Grantor shall (i) become aware of any existing Trademarks of which Grantor has not previously informed Grantee, or (ii) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Grantor shall give to Grantee prompt written notice thereof. Grantor hereby authorizes Grantee to supplement and modify this Agreement by amending Schedule 1 to include any such Trademarks.

6. Duties of Grantor. With respect to Trademarks that are owned by Grantor, Grantor shall, to the extent determined by Grantor in its reasonable business judgment to be necessary in the operation of Grantor's business, use commercially reasonable efforts, (i) to file and prosecute

diligently any and all trademark applications or service mark application that are part of such Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, (ii) to preserve and maintain all rights in such Trademarks and (iii) to ensure that such Trademarks are and remain enforceable.

7. Grantee's Right to Sue. Upon the occurrence and during the continuance of a Default, Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Grantee shall commence any such suit, Grantor shall, at the request of Grantee, do any and all lawful acts and execute any and all proper documents required by Grantee in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify Grantee for all out-of-pocket costs and expenses (including, without limitation, attorneys' fees and expenses) incurred by Grantee in the exercise of its rights under this Section 7.

8. Cumulative Remedies; Power of Attorney. Grantee hereby acknowledges and affirms that the rights and remedies with respect to the Trademarks, whether established hereby or by the Note Purchase Agreement or the Security Agreement, or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Grantee, upon the occurrence and during the continuance of a Default, to make, constitute and appoint any officer or agent of Grantee as Grantee may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Grantee in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Grantee deems to be in the best interest of Grantee, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities shall have been paid in full pursuant to the terms of the Note Purchase Agreement. Grantor hereby further acknowledges and agrees that the use by Grantee of the Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Grantee to Grantor.

The delivery of an executed counterpart of a signature page to this Agreement by facsimile or .pdf shall be effective as delivery of a manually executed counterpart of this Agreement.

12. Senior Subordination Agreement. Notwithstanding anything herein to the contrary, the Liens and security interests granted to the Grantee pursuant to this Agreement and the exercise of any right or remedy by the Grantee hereunder, are subject to the provisions of the Senior Subordination Agreement.
