## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT ("Trademark Security Agreement"), dated as of July 8, 2022, is made by and between CIRRUS DESIGN CORPORATION, a Minnesota corporation (the "Grantor"), in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION, as Administrative Agent (in such capacity, the "Administrative Agent") for the benefit of the Secured Parties.

WHEREAS, CIRRUS INDUSTRIES, INC., a Delaware corporation (the "Borrower"), the Grantor, the other Subsidiary Guarantors from time to time party thereto, the Lenders from time to time party thereto and the Administrative Agent have entered into a certain Credit Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"). Terms defined in the Credit Agreement and not otherwise defined herein shall have the meaning assigned thereto in the Credit Agreement.

WHEREAS, as a condition precedent to the making of the Loans by the Lenders under the Credit Agreement, the Borrower, the Grantor and certain other Subsidiary Guarantors have executed and delivered to the Administrative Agent that certain Collateral Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement").

WHEREAS, under the terms of the Collateral Agreement, the Grantor has granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed to execute and deliver this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Security. Grantor hereby pledges and grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in and to all of the right, title, and interest of Grantor in, to, and under the following (the "Trademark Collateral"):

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, internet domain names, trade styles, service marks, logos, other business identifiers, whether registered or unregistered, all registrations and recordings thereof, and all applications in connection therewith (other than each application to register any trademark or service mark prior to the filing under Applicable Law of a verified statement of use for such trademark or service mark) anywhere in the world, including, without limitation, those trademarks registered with the United States Patent and Trademark Office listed on Schedule 1;

(b) all reissues, extensions, continuations (in whole or in part) and renewals of any of the foregoing;

(c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past, present or future infringements of any of the foregoing;

(d) the right to sue for past, present or future infringements of any of the foregoing;

(e) all rights corresponding to any of the foregoing (including the goodwill) throughout the world; and

(f) any agreement now or hereafter in existence providing for the grant by or to Grantor of any right to use any Trademark Collateral;

provided, that such security interest shall not extend to, and the term "Trademark Collateral" shall not include any of the following (collectively, the "Excluded Property"): any United States federal "intent to use" trademark applications to the extent that, and solely during the period that, the grant of a security interest therein would impair the validity or enforceability or render void or result in the cancellation of, any registration issued as a result of such "intent to use" trademark application under Applicable Law; provided that upon the submission and acceptance by the United States Patent and Trademark Office of an amendment to allege or a verified statement of use pursuant to 15 U.S.C. Section 1060, such "intent to use" trademark application shall constitute Trademark Collateral. Notwithstanding the foregoing, the Excluded Property shall not include the proceeds, products, substitutions or replacements of any Excluded Property (except to the extent that such proceeds, products, substitutions or replacements shall themselves constitute Excluded Property).

2. Recordation. Grantor authorizes the Commissioner for Trademarks and any other government officials to record and register this Trademark Security Agreement upon request by the Administrative Agent.

3. Loan Documents. This Trademark Security Agreement has been entered into pursuant to and in conjunction with the Collateral Agreement, which is hereby incorporated by reference. The provisions of the Collateral Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Administrative Agent with respect to the Trademark Collateral are as provided by the Credit Agreement, the Collateral Agreement, and related Loan Documents, and nothing in this Trademark Security Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic (i.e., "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.
