WHEREAS, pursuant to the Security Agreement, the Assignor has assigned to the Assignee and granted to the Assignee for the benefit of the Secured Parties a continuing security interest in all right, title and interest of the Assignor in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Intellectual Property Collateral"), to secure the payment, performance and observance of the Secured Obligations;
