WITNESSETH:

WHEREAS, Assignor is the founder of Assignee;

WHEREAS, Assignor has or may have certain rights, title and interest in and to the trademark applications, trademark registrations, trademarks, trade names, and service marks identified on Exhibit A attached hereto (the "Marks");

WHEREAS, substantially upon the date on which Assignor first used the Marks in commerce, Assignor conveyed to Assignee all rights Assignor has or may have in, to or under the Marks and all goodwill associated therewith; and

WHEREAS, the parties desire to record, memorialize, codify, and affirm that the Marks, goodwill, Registrations and Applications, and associated rights were transferred from Assignor to Assignee.

NOW, THEREFORE, in consideration of the mutual covenants herein, and other good and valuable consideration, receipt, adequacy, and legal sufficiency of which are hereby acknowledged by Assignor, and all parties intending to be legally bound hereby, Assignor and Assignee agree as follows:

SECTION 1. ASSIGNMENT

1.1 Assignor contributes grants, sells, conveys, transfers, assigns, releases, and delivers to Assignee, its successors, assigns, and legal representatives, any and all right, title, and interest Assignor has or may have in or to the Marks, including without limitation all common law rights, rights acquired through use, license or assignment, state law rights, rights in foreign nations, all registrations and applications for registration thereof, in all states, nations, communities, and regions worldwide, and all goodwill associated therewith, together with all liabilities, duties and obligations relating to the Marks and the Registrations and Applications, all rights to file applications directed to and obtain and maintain registrations for the Marks worldwide, and all rights to bring actions and recover damages for any and all past, present and future infringements of the Marks in any and all jurisdictions throughout the world, including all rights as opponents in any opposition. The foregoing assignment is effective on the Effective Date for each of the Marks in use on or before the Effective Date and, for any trademark, trade name or other indicator of source included in the Marks that was first used after the Effective Date, it is effective for such trademark, trade name or other indicator of source on the date of such first use.

1.2 Any nation or state, or agency or representative thereof, or individual, partnership, corporation, or other entity, may rely without further inquiry upon the powers and rights granted to Assignee herein and upon any notarization, certification, verification, affidavit, or jurat by any notary public of any state relating to the authorization, execution, and delivery of this Assignment of the authenticity of any copy, conformed or otherwise, hereof.

SECTION 2. MISCELLANEOUS

2.1 The terms and provisions of this Assignment shall be binding upon and shall extend to, and inure to the benefit of the parties and their successors and assigns.

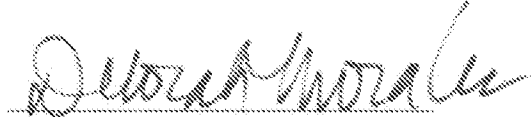

2.2 In the event that any term or provision of this Assignment is held to be invalid, illegal or unenforceable in any respect, such term or provision shall be deemed amended to the extent necessary to render it valid, legal and enforceable, and the parties agree to be bound by the same as thus amended, and the remaining terms and provisions of this Assignment shall not be affected or impaired thereby.

2.3 This Assignment shall be construed under the laws of the State of Delaware, without reference to principles of conflicts of laws.

2.4 This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
