C. **WHEREAS**, pursuant to the Security Agreement and Trademark Security Agreement, as security for the payment or performance, as the case may be, in full of the Secured Obligations, including any Note Guarantees, Assignee collaterally assigned and pledged to Assignor, its successors and permitted assigns, for the benefit of the Secured Parties, and granted to Assignor, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties then-owned or at any time thereafter acquired by Assignee or in which Assignee then or at any time thereafter acquired any right, title or interest:

- i. all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers, then-owned or thereafter acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any jurisdiction thereof, and all extensions or renewals thereof, including those listed on Schedule I attached hereto;
- ii. all goodwill associated therewith;
- iii. all rights and remedies against past, present and future infringement, misappropriation or other violation of any of the foregoing; and
- iv. all Proceeds and products of any and all of the foregoing and all Supporting Obligations, collateral security and guarantees given by any Person with respect to the foregoing (collectively, the "**Trademark Collateral**");

D. **WHEREAS**, pursuant to this Release, having paid or performed, as the case may be, in full all of the Secured Obligations, Assignee has requested that Assignor terminate and release its security interest in all of Assignee's right, title and interest in or to the Trademark Collateral; and

E. **WHEREAS**, in recognition of Assignee's full payment or performance of the Secured Obligations, Assignor correspondingly agrees to terminate and release its security interest in all of Assignor's right, title and interest in or to the Trademark Collateral.

NOW, THEREFORE, in consideration of the premises, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:
