TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this “Trademark Assignment”), dated as of June 28, 2022, (the “Effective Date”) is made by and between Advanced Spine and Pain, LLC d/b/a Relievis, a New Jersey limited liability company and DocuVitals, LLC, a New Jersey limited liability company (each an “Assignor,” collectively the “Assignors”) and Pain Management Solutions, LLC, a Maryland limited liability company (“Assignee”).

NOW THEREFORE, the parties hereby agree as follows:

ARTICLE I

1. **Assignment**. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby irrevocably convey, transfer and assign to Assignee, and Assignee hereby assumes, all of Assignors’ right, title and interest in and to (i) the trademark registrations identified and set forth in Schedule A and all trademarks, trade names, logos, and graphics that are the subject thereof or that are variations of any of the foregoing, including without limitation, and all common law rights associated with the foregoing and (ii) all extensions and renewals thereof, in each case whether arising under the laws of the United States, any other country, or any treaty regime (collectively, items (i) and (ii) are referred to herein as the “*Assigned Trademark Rights*”), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademark Rights. The preceding assignment further includes the right to any and all past, current, and future royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any of the Assigned Trademark Rights as well as any and all past, current, and future claims and causes of action against third parties arising from or with respect to any of the Assigned Trademark Rights, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, current and future infringement, dilution, misappropriation, violation, misuse, breach or default throughout the world, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages. Assignee hereby accepts all of the foregoing assignments, transfers and conveyances.

2. **Recordation and Further Actions**. Assignors hereby authorize the Commissioner for Trademarks in the United States Patent and Trademark Office and similar governmental and registration authorities to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, Assignors shall take such reasonable and necessary steps and actions, and provide such reasonable and necessary cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the

execution and delivery of any affidavits, declarations, exhibits, assignments, or other documents, as may be reasonably necessary to effect, evidence or perfect the assignment of the Assigned Trademark Rights to Assignee, or any assignee or successor thereto as contemplated by this Trademark Assignment.

3. **Successors and Assigns**. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

4. **Third Party Beneficiaries**. Nothing in this Trademark Assignment is intended to or shall confer upon any person other than the parties and their respective successors and assigns, any rights, benefits, or remedies of any nature whatsoever under or by reason of this Trademark Assignment or any transaction contemplated by this Trademark Assignment.

5. **Governing Law**. This Trademark Assignment and the rights and obligations of the parties shall be governed by and shall be enforced and interpreted in accordance with the laws of Delaware without regard to conflicts of law doctrines.

6. **Counterparts**. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Copies (facsimile or original) of signatures to this Trademark Assignment shall be deemed to be originals and shall be binding to the same extent as original signatures.
