FIRST LIEN TRADEMARK SECURITY AGREEMENT

This FIRST LIEN TRADEMARK SECURITY AGREEMENT (as amended, restated, modified or supplemented from time to time, this “**Trademark Security Agreement**”), dated as of July 21, 2022, is made by the entities set forth on Schedule 1 (each, a “**Grantor**” and collectively, the “**Grantors**”), in favor of Jefferies Finance LLC, as the Collateral Agent for the Secured Parties (together with its successors and permitted assigns, the “**Collateral Agent**”).

WHEREAS, each Grantor is party to that certain US Security Agreement, dated as of July 21, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among each Grantor, the other grantors party thereto and the Collateral Agent; and

WHEREAS, under the terms of the Security Agreement, each Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of each Grantor, and has agreed to execute this Trademark Security Agreement for recording with the USPTO.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

Section 1. Terms. Capitalized terms used but not defined herein shall have the meanings given or given by reference in the Security Agreement.

Section 2. Grant of Security. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest (the “**Security Interest**”) in all of each Grantor’s right, title and interest in, to and under the registered and applied for Trademarks set forth on Schedule A attached hereto, together with all goodwill of the business connected with the use thereof and symbolized thereby, and with respect to the foregoing (a) all extensions and renewals thereof, (b) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including damages and payments for past, present or future infringements and dilutions thereof or injury to the goodwill associated therewith, and (c) the right to sue for past, present and future infringements and dilutions thereof or injury to the goodwill associated therewith (collectively, the “**Trademark Collateral**”); *provided* that “**Trademark Collateral**” shall not include and the Security Interest shall not attach to any Excluded Asset as provided for in the Security Agreement, including any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing and acceptance of a “**Statement of Use**” pursuant to Section 1(d) of the Lanham Act or an “**Amendment to Allege Use**” pursuant to Section 1(c) of the Lanham Act with respect thereto (it being understood that after such filing and acceptance such intent-to-use application shall be automatically subject to the security interest granted herein and deemed to be included in the Trademark Collateral) or to any other Excluded Asset as provided under the Security Agreement.

Section 3. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement with the USPTO.

Section 4. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Section 5. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.
