This NOTICE OF GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (this “Notice”), dated as of July 22, 2022, is entered into by **ACP OF DELAWARE INC.**, a Delaware corporation, **ALADDIN TEMP-RITE LLC**, a Tennessee limited liability company, **ALI GROUP NORTH AMERICA CORPORATION**, a Delaware corporation, **BELSHAW BROS., INC.**, a Delaware corporation, **BEVERAGE-AIR CORPORATION**, a Delaware corporation, **CHEMICAL METHODS ASSOCIATES, LLC**, a California limited liability company, **EDLUND COMPANY, LLC**, a Vermont limited liability company, **H.C. DUKE & SON LLC**, a Delaware limited liability company, **INTERMETRO INDUSTRIES CORPORATION**, a Delaware corporation, **MILE HIGH EQUIPMENT LLC**, a Colorado limited liability company, and **SCOTSMAN GROUP LLC**, a Delaware limited liability company (each, a “Grantor”), in favor of **MEDIOBANCA – BANCA DI CREDITO FINANZIARIO S.P.A.**, as Security Agent under the Intercreditor Agreement (in such capacity, the “Security Agent”).

WHEREAS, each Grantor is party to that certain US Collateral Agreement, dated as of July 22, 2022 (the “Collateral Agreement”) in favor of the Security Agent pursuant to which each Grantor granted to the Security Agent, a security interest in and to its Intellectual Property (excluding Excluded Collateral), including the Trademarks set forth on Schedule A (“the “Security Interest”);

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Notice;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, the Security Agent and the Lenders to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, and subject to the terms and conditions of the Collateral Agreement, each Grantor hereby agrees with the Security Agent, for the benefit of the Secured Parties, as follows:

Section 1. Defined Terms. Unless otherwise defined herein or the context otherwise requires, terms used in this Notice have the meanings provided or provided by reference in the Collateral Agreement.

Section 2. Grant of Security Interest. Each Grantor hereby grants to the Security Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in and to (i) each such Grantor’s Trademarks, including the Trademarks set forth on Schedule A, (ii) all rights to sue at law or in equity for any infringement or other impairment thereof, including the right to receive all Proceeds and damages therefrom and (iii) to the extent not otherwise included, all Proceeds and products of same and all collateral security and guarantees given by any Person with respect to any of the foregoing.

Section 5. Counterparts. This Notice or any acceptance letter to which this Notice is attached may be executed by one or more of the parties to this Notice on any number of separate counterparts (including by telecopy or electronic (i.e., "pdf") transmission), and all of said counterparts and acceptance letters taken together shall be deemed to constitute one and the same instrument binding the parties hereto and to each such acceptance letter in their applicable capacities. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Notice or an acceptance letter shall be effective as delivery of an original executed counterpart of this Notice. The words "execution," "execute", "signed," "signature," and words of like import in this Notice or any amendment or other modification hereof shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. The Security Agent may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission. Notwithstanding anything to the contrary, the parties agree that any person which executes an acceptance letter with respect to this Notice or any other Loan Document shall thereby become a party hereto or to such other Loan Document, as applicable, and this Notice and each other Loan Document accepted by such party pursuant to an acceptance letter shall be binding on such party, in each case to the same extent as if such party executed a counterpart hereof or of such other Loan Document.
