**MEMORANDUM AND NOTICE OF SECURITY INTEREST IN INTELLECTUAL  
PROPERTY**

**July 25, 2022**

**ATHLON HOLDINGS, INC.**, a Tennessee corporation, and **ATHLON SPORTS COMMUNICATIONS, INC.**, a Tennessee corporation (each individually hereafter referred to as a “Debtor” or “Grantor”, and collectively, the “Debtors” or “Grantors”), hereby acknowledge that they have granted to SLR Digital Finance LLC, a Delaware limited liability company, formerly known as Fast Pay Partners LLC (hereafter referred to as “Secured Party” or “Grantee”), a security interest in and to all of such Debtors’ right, title and interest in and to: (a) the trademarks and trademark registrations and applications therefor (other than intent to use trademark applications to the extent excluded in the Loan Agreement (as defined below)) which are identified on Exhibit A attached hereto and herein incorporated by this reference owned by such Debtors (the “Trademarks”), together with the goodwill and assets of the business; (b) the patents and patent applications which are identified on Exhibit B attached hereto and herein incorporated by this reference owned by such Debtors (the “Patents”), and (c) the copyright registrations which are identified on Exhibit C attached hereto and herein incorporated by this reference owned by such Debtors (the “Copyrights”), and all actions for infringement concerning each of the foregoing.

Unless and until an Event of Default (as defined in the Loan Agreement) exists, Debtors shall retain the legal and equitable title to the Trademarks, Patents, and Copyrights, and shall have the right to use and register the Trademarks, Patents, and Copyrights, as applicable, in the ordinary course of business of each Debtor. The terms and conditions of the aforementioned security interest are contained in that certain Financing and Security Agreement dated as of February 6, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”), between Debtors and the Secured Party, as security for the Obligations under and as set forth in the Loan Agreement and other agreements referred to therein. Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to such terms in the Loan Agreement. Nothing contained in this Memorandum and Notice of Security Interest in Intellectual Property shall be construed as a present or absolute assignment of any of the collateral nor as limiting any interest which Secured Party may have in any other collateral described in the Loan Agreement or otherwise. In the event that any provision of this Memorandum and Notice of Security Interest in Intellectual Property conflicts with any provision of the Loan Agreement, the provisions of the Loan Agreement shall govern.
