TRADEMARK ASSIGNMENT

This Trademark Assignment (“Assignment”), with an effective date of July 1, 2022, is made and entered into by and between PAM Abrasives LLC, a California limited liability company (“Assignor”) and 3D International LLC, a California limited liability company (the “Assignee”) (together the “Parties”).

Assignor hereby irrevocably assigns, transfers, and conveys to Assignee, its successors and assigns any and all of its right, title, and interest in and to the Assigned Marks, including without limitation any renewals thereof, any common law rights to such Assigned Marks, all goodwill of the business associated therewith and symbolized by the Assigned Marks, the right to sue and to collect damages and payments for claims of past, present, and future infringement or misappropriation thereof.

3. Recordation. Assignor hereby authorizes and requests the relevant authorities to record Assignee as owner of the Assigned Marks and to issue any and all registrations, including renewals thereof, to Assignee, its successors, assigns, nominees or other legal representatives.

a. At the request of Assignee and at the reasonable expense of Assignee, (or its successors, assigns or legal representatives), Assignor shall timely execute and deliver any additional documents and perform any additional acts that Assignee or its counsel may request to assist in the implementation, recordation or perfection of this Assignment and Assignee’s interest in and to the Assigned Marks.

b. If Assignee is unable for any reason to secure Assignor’s signature to any document it is entitled to under Section 3(a), Assignor hereby irrevocably designates and appoints Assignee, and Assignee’s duly authorized officers, agents and representatives, as its agents and attorneys-in-fact with full power of substitution to act for and on the behalf and instead of Assignor, to execute and file any such document and to do all other lawfully permitted acts to further the purposes of this Assignment with the same legal force and effect as if executed by the Assignor.

4. Successors and Assigns. This Assignment will be fully binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns.
