TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of August 1, 2022 (this “Agreement”), is made by PIERIANDX, INC., a Delaware corporation, and SEVEN BRIDGES GENOMICS INC., a Delaware corporation (each, a “Grantor” and together, the “Grantors”), in favor of ORBIMED ROYALTY & CREDIT OPPORTUNITIES III, LP, a Delaware limited partnership (together with its Affiliates, successors, transferees and assignees, the “Lender”).

W I T N E S S E T H :

WHEREAS, pursuant to the Credit Agreement, dated as of August 1, 2022 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among M51 BIDCO, INC., a Delaware corporation (the “Borrower”), M51 Midco, Inc., as Holdings, and the Lender, the Lender has extended Commitments to make Loans to the Borrower;

WHEREAS, in connection with the Credit Agreement, each Grantor has executed and delivered a Pledge and Security Agreement in favor of the Lender, dated as of August 1, 2022 (as amended, supplemented, or otherwise modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the Credit Agreement and pursuant to clause (e) of Section 4.5 of the Security Agreement, each Grantor is required to execute and deliver this Agreement and to grant to the Lender a continuing security interest in all of the Trademark Collateral (as defined below) to secure all of the Obligations; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees, for the benefit of the Lender, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest. Each Grantor hereby grants to the Lender, for the Lender’s benefit, a continuing security interest in all of such Grantor’s right, title and interest in and to the Trademark Collateral, including those Trademarks referred to in Item A of Schedule I hereto.

Notwithstanding anything to the contrary, the Trademark Collateral does not include (a) Trademark applications filed in the United States Patent and Trademark Office on the basis of such Grantor’s “intent to use” of such Trademark, unless and until acceptable evidence of use of the Trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.), to the extent that

granting a Lien in such Trademark application prior to such filing would adversely affect the enforceability or validity of such Trademark application or (b) other Excluded Assets.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by each Grantor for the purpose of registering the security interest of the Lender in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted in furtherance of, and not in limitation of, the security interest granted to the Lender for its benefit under the Security Agreement. The Security Agreement (and all rights and remedies of the Lender thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens. Upon (a) the sale of Trademark Collateral to Persons who are not the Borrower or any Subsidiary thereof in accordance with the Credit Agreement or (b) the occurrence of the Termination Date, the security interests granted herein shall automatically terminate with respect to (i) such Trademark Collateral (in the case of clause (a)) or (ii) all Trademark Collateral (in the case of clause (b)). Upon any such sale or termination, the Lender will, at the Grantors' sole expense, deliver to such Grantors, without any representations, warranties or recourse of any kind whatsoever, all such Trademark Collateral held by the Lender hereunder, and execute and deliver to such Grantors such documents as such Grantors shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

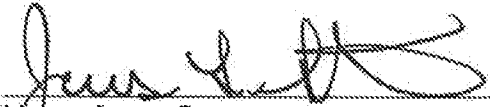

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article X thereof.

SECTION 7. Effectiveness. This Agreement shall become effective when a counterpart hereof executed by each Grantor shall have been received by the Lender. Delivery of an executed counterpart of a signature page to this Agreement by email (e.g., "pdf" or "tiff") or telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

*[Signature Page Follows]*

IN WITNESS WHEREOF, each Grantor hereto has caused this Agreement to be duly executed and delivered by its Authorized Officer as of the date first above written.
