TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT dated as of August 9, 2022 is made by each of the entities listed on the signature pages hereof (each, a "Grantor", and collectively, the "Grantors"), in favor of ACF Finco I LP, a Delaware limited partnership, in its capacity as agent for each member of the Lender Group (in such capacity, together with its successors and assigns in such capacity, "Agent").

Introductory Statement

WHEREAS, pursuant to the Credit Agreement, dated as of August 9, 2022 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the "Credit Agreement") among, inter alios, MONOLITH BRANDS, LLC, a Delaware limited liability company (the "Monolith"), MONOLITH BRANDS HOLDCO, LLC, a Delaware limited liability company ("Parent"), each Subsidiary of Parent party thereto on the Closing Date (Monolith, each such Subsidiary and those additional Persons that are joined as a party thereto after the Closing Date, collectively, the "Borrowers" and each individually, a "Borrower"), the Lenders from time to time party thereto and Agent, the Lenders have severally agreed to make Loans to the Borrowers upon and subject to the terms and conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, all of the Grantors, among others, are party to a Guaranty and Security Agreement dated as of August 9, 2022 (as amended, restated, amended and restated, supplemented and/or otherwise modified time to time, the "Guaranty and Security Agreement"), pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, and to induce the Agent and the Lenders to enter into the Credit Agreement, to induce the Lenders to make their respective Loans to the Borrowers thereunder, and to induce the Agent to act in their respective agency capacities thereunder, and intending to be legally bound, each Grantor hereby agrees with the Agent, for the benefit of the Secured Parties, as follows:

Section 1. Defined Terms. All uppercase terms used but not otherwise defined herein have the meanings given to them in the Guaranty and Security Agreement or the Credit Agreement, as the context may require.

Section 2. Grant of Security Interest in Trademark Collateral. As collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations, each Grantor hereby unconditionally pledges, collaterally assigns and transfers to the Agent for the benefit of the Secured Parties, and hereby grants the Agent for the benefit of the Secured Parties, a Lien on and security interest in all of such Grantor's right, title and interest in, to and to the following property of such Grantor, whether now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (the "Trademark Collateral"):

(a) all of its all trademarks, trade names, trademark rights in corporate names, business names or fictitious business names, trade styles, service marks, logos and other source or business identifiers (whether registered or unregistered), and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including any of the foregoing referred to in Schedule 1 hereof;

(b) the right to obtain all extensions and renewals thereof; and

(c) all income, royalties, and proceeds at any time due or payable or asserted under or with respect to any of the foregoing, including all rights to sue or recover at law or in equity for any past, present or future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, "Trademark Collateral" shall not include (and no security interest or Lien shall be granted hereunder in) any trademark application filed in the United States Patent and Trademark Office on the basis of the applicant's intent-to-use such trademark unless and until evidence of use of such trademark has been filed with and duly accepted by the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. § 1051, et sq.) (but only until such evidence of use is filed with and accepted by the United States Patent and Trademark Office).

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the Liens and security interests granted to the Agent for the benefit of the Secured Parties pursuant to the Guaranty and Security Agreement. Each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent and the obligations of each Grantor with respect to the Liens and security interests in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Guaranty and Security Agreement, the Guaranty and Security Agreement shall govern.

Section 4. Authorization to Supplement. Subject to the terms of this Trademark Security Agreement, each Grantor hereby authorizes the Agent to modify this Trademark Security Agreement by amending Schedule I to include any such new this trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

Section 5. Counterparts. Any number of counterparts of this Trademark Security Agreement, including facsimiles and other electronic copies, may be executed by the parties hereto. Each such counterpart shall be, and shall be deemed to be, an original instrument, but all such counterparts taken together shall constitute one and the same agreement. This Trademark Security Agreement may be transmitted and signed and delivered by facsimile or other electronic means. The effectiveness of any such documents and signatures shall have the same force and effect as manually signed originals and shall be binding on all parties.
