**U.S. INTELLECTUAL PROPERTY SECURITY AGREEMENT**

THIS U.S. INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**Agreement**”), dated as of August 8, 2022, is entered into by each of the undersigned identified on the signature pages hereto as a “Grantor” (each a “**Grantor**” and, collectively, the “**Grantors**”) and **WHITEHAWK CAPITAL PARTNERS LP**, as agent (in such capacity, “**Agent**”), for itself and the Lenders (as defined in the Loan Agreement (as defined below)). Capitalized terms not otherwise defined herein have the meanings set forth in that certain Loan and Security Agreement, dated as of August 8, 2022 (as the same may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Loan Agreement**”), by and among Greenlane Holdings, Inc., a Delaware corporation (“**Borrower**”), certain Subsidiaries of the Borrower from time to time party thereto, as Guarantors, the parties thereto from time to time as lenders, whether by execution of the Loan Agreement or an Assignment and Acceptance (each individually, a “**Lender**” and collectively, the “**Lenders**”) and Agent.

WHEREAS, pursuant to Section 5.2 of the Loan Agreement, the Grantors are delivering this Agreement to grant a security interest to the Agent in certain Intellectual Property whether now owned or existing or hereafter acquired or arising and wherever located, including the pending and registered trademarks, patents and copyrights listed on Schedule A hereto (the “**Secured Intellectual Property**”).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor and Agent hereby agree as follows:

1. **Grant of Security Interest.**

1.1 Each Grantor hereby grants to Agent, a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under (1) all Secured Intellectual Property set forth on Schedule A hereto now owned or from time to time after the date hereof owned or acquired by such Grantor, together with (2) all proceeds and products of the Secured Intellectual Property, (3) the goodwill associated with the trademarks and (4) all causes of action arising prior to or after the date hereof for infringement of the Secured Intellectual Property or unfair competition regarding the same, subject to the terms and conditions of the Loan Agreement. Notwithstanding the foregoing, the Secured Intellectual Property shall exclude any rights to any Intellectual Property that would be cancelled or rendered invalid or unenforceable under applicable law by the grant of a security interest created pursuant to the terms of this Agreement or the Loan Agreement, for as long as such prohibition or reason for invalidity under applicable law exists, except for the products and proceeds thereof or from the sale of such Intellectual Property.

1.2 The security interest granted hereby is granted in conjunction with the security interest granted to Agent under the Loan Agreement. The rights and remedies of the Agent and Lenders with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall control.

2. **Modification of Agreement.** This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Loan Agreement pursuant to which Agent may modify this Agreement, after obtaining each Grantor's approval of or signature to such modification, by amending Schedule A hereto to include reference to any right, title or interest in any existing pending or registered trademarks, patents or copyrights acquired or developed by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any pending or registered trademarks, patents or copyrights in which any Grantor no longer has or claims any right, title or interest.

3. **Governing Law.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK AND, TO THE EXTENT CONTROLLING, LAWS OF THE UNITED STATES OF AMERICA, EXCEPT TO THE EXTENT THAT THE LAWS OF ANY STATE IN WHICH ANY OF THE COLLATERAL IS LOCATED NECESSARILY GOVERNS THE VALIDITY, PERFECTION, PRIORITY AND ENFORCEABILITY, AND THE EXERCISE OF ANY REMEDIES WITH RESPECT TO ANY LIEN OR SECURITY INTEREST INTENDED TO BE CREATED OR GRANTED HEREBY ON COLLATERAL LOCATED IN SUCH STATE.

4. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of Agent and each Grantor and their respective successors and assigns. Each Grantor shall not, without the prior written consent of Agent given in accordance with the Loan Agreement, assign any right, duty or obligation hereunder.

5. **Counterparts.** This Agreement may be executed in any number of counterparts and by the parties hereto on separate counterparts, each of which when so executed, shall be deemed to be an original and all of which taken together shall constitute one and the same instrument. Delivery of an executed counterpart by facsimile or other electronic transmission shall be effective as originals.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Grantors and Agent have caused this Agreement to be duly executed and delivered as of the date first above written.
