RECITALS

A. In connection with the Facilities Agreement, Grantors have entered into that certain Collateral Agreement in favor of Security Agent, dated as of even date herewith (as the same may be amended, modified or supplemented from time to time, the “**Collateral Agreement**”).

B. Pursuant to the terms of the Facilities Agreement and the Collateral Agreement, the Grantors have granted to Security Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral, including, without limitation those Trademarks listed on Exhibit A hereto.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Facilities Agreement and Finance Documents, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Facilities Agreement and Finance Documents, Grantor grants and pledges to Security Agent a security interest in all of Grantor’s right, title and interest in, to and under its Trademarks (including without limitation those Trademarks listed on Exhibit A hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.
