ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property (this "Assignment") is made and entered into as of Nov 11, 2022, ("Effective Date"), by and between Crane Holdings, Co., a Delaware Corporation with an address of 100 First Stamford Place, Stamford, Connecticut, 06902, United States of America ("Assignor") and Crane ChemPharma & Energy Corp., a Delaware Corporation with an address of 4526 Research Forest Drive, Suite 400, The Woodlands, Texas 77381 United States ("Assignee") (each a "Party," and collectively, the "Parties").

WHEREAS, Assignor owns all right, title, and interest in and to certain Intellectual Property, including patents, patent applications, trademarks, and service marks;

WHEREAS, Assignee wishes to acquire from Assignor, and Assignor wishes to sell, transfer, convey, assign, and deliver to Assignee, all right, title, and interest in and to the Intellectual Property, together with all common law rights therein, along with the ongoing business and all goodwill of the business associated with and symbolized by the Trademarks.

NOW, THEREFORE, in consideration of US\$10.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

TRADEMARK ASSIGNMENTS

1. Assignor does hereby assign to Assignee the trademarks and/or service marks identified in Schedule A attached hereto and the applications and registrations therefor shown in the said Schedule A, and any other trademark rights owned by Assignor throughout the world corresponding to the marks listed in Schedule A (the "Trademarks");
2. Assignor does hereby assign to Assignee all right, title, and interest in and to the Trademarks, including all applications and registrations for the Trademarks, and including the portion of the business to which the marks pertain, such business being ongoing and existing, together with the goodwill of the business symbolized by the Trademarks, and the right to sue for and collect all awards, proceeds, and compensation accruing for past infringements of the Trademarks.
3. Assignor will discontinue its business operations with respect to the Trademarks as of the Effective Date;
4. Assignee will continue the business, or portions thereof to which the Trademarks pertain, as of the Effective Date, and has a bona fide intent to use the Trademarks in commerce, whereby Assignee is the successor to the business of the Assignor, or portions thereof to which the Trademarks pertain;
5. Assignor does hereby sell, assign, convey, and transfer to Assignee, its successors, legal representatives, and assigns, all of Assignor's right, title, and interest in and to

the Trademarks and all applications and registrations for the Trademarks, including the portion of the business to which the marks pertain, such business being ongoing and existing, together with the goodwill of the business symbolized by the Trademarks, and all claims, if any, which may have arisen thereunder prior to the Effective Date of this Assignment, and the right to recover for damages and profits and all other remedies for past, present, and future infringements of any of the Trademarks or any registrations and applications therefor as of the Effective Date;

6. Assignor hereby authorizes Assignee to record this Assignment with all government agencies or trademark registries;
7. Assignor hereby authorizes Assignee to take action in Assignor's name before customs offices, or other government agencies or trademark registries, to enable Assignee to use and exploit the Trademarks until such time as the recordation of this Assignment is approved or becomes effective; and
8. Assignor shall at any time on and after the Effective Date, at the request of Assignee, execute and deliver to Assignee such additional documents, instruments, consents, conveyances, assignments, and other writings as may be reasonably required to assign, transfer, convey, or perfect the transfer of Assignor's right, title, and interest in and to the Trademarks to Assignee or otherwise to carry out, confirm, or evidence the transactions contemplated by this Agreement or to use and exploit the Trademarks.

OTHER INTELLECTUAL PROPERTY

9. Assignor does hereby assign to Assignee all of Assignor's rights in certain FLOW OF FLUIDS literary works, including all copyrights, moral rights, and all other rights to exploit, publish, register, and sell the FLOW OF FLUIDS literary works in its own name, along with all claims, if any, which may have arisen thereunder prior to the Effective Date of this Assignment, and the right to recover for damages and profits and all other remedies for past, present, and future infringements of any of the FLOW OF FLUIDS literary works and related copyrights, registrations, and applications therefor, including but not limited to the United States copyright registrations identified in Schedule B hereto, as of the Effective Date.

Each person signing this Assignment represents and warrants that he or she is duly authorized and has legal capacity to execute and deliver this Assignment on behalf of the respective party. Each party represents and warrants to the other that the execution and delivery of the Assignment and the performance of such party's obligations hereunder have been duly authorized, and that the Assignment is a valid and legal agreement binding on such party and enforceable in accordance with its terms.

This Agreement may be executed in multiple counterparts, each of which is considered an original and shall be binding upon the Party executing the same, but all of such counterparts shall constitute the same agreement.

This Assignment of Intellectual Property shall be binding on and inure to the benefit of the respective heirs, successors, and assigns of the Parties.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be effective as of the Effective Date written above.
