### WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of December 23, 2021 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Credit Agreement”), among International Wire Group, Inc., a Delaware corporation (“IWG”), Omega Wire, Inc., a Delaware corporation (“Omega”), IWG Nest LLC, a Delaware limited liability company (“Nest”) and High Performance Conductors LLC, a Delaware limited liability company (“HPC”; and together with IWG, Omega and Nest, the “Borrowers”), the various Guarantors as are or may become parties thereto, the various financial institutions as are or may become parties thereto (collectively, the “Lenders”), the Administrative Agent and the Joint Lead Arrangers, the Lenders have extended Commitments to make financial accommodations to the Borrowers;

WHEREAS, the Grantor is a party to that certain Security Agreement, dated as of December 23, 2021 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Security Agreement”) in favor of the Administrative Agent for the Secured Parties;

WHEREAS, as a condition to the making of the Loans and the issuance of Letters of Credit under the Credit Agreement from time to time, the Grantor is required to execute and deliver this Agreement;

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement; and

WHEREAS, it is in the best interests of the Grantor to execute this Agreement inasmuch as the Grantor will derive substantial direct and indirect benefits from the Loans made and Letters of Credit (including the initial borrowing) issued from time to time to the Borrowers by the Lenders and the Issuing Lender pursuant to the Credit Agreement.

NOW THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, and in order to induce the Lenders and the Issuing Lender to make Loans and issue Letters of Credit (including the initial borrowing) to the Borrowers pursuant to the Credit Agreement, and to induce the Secured Parties to enter into Interest Rate Hedges and Foreign Currency Hedges, the Grantor agrees, for the benefit of each Secured Party, as follows.

*Section 1. Definitions.* Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

*Section 2. Grant of Security Interest.* For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Secured Obligations, the Grantor does hereby mortgage, pledge and hypothecate to the Administrative Agent, and grant to the Administrative Agent a security interest in, for its benefit and the benefit of each Secured Party, all of the following property (the “Trademark Collateral”), whether now owned or hereafter acquired or existing by it:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (all of the foregoing items in this clause (a) being collectively called a “Trademark”), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including the U.S. registrations, recordings and applications in the United States Patent and Trademark Office referred to in Item A of Attachment 1 attached hereto;

(b) all Trademark licenses;

(c) all reissues, extensions or renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b); and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any U.S. Trademark or Trademark registration referred to in Item A of Attachment 1 attached hereto, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include any Excluded Collateral.

*Section 3. Security Agreement.* This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent for its benefit and the benefit of each Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

*Section 4. Release of Security Interest.* Upon the occurrence of the Facility Termination Date, or such other time or times set forth in Section 2.3 of the Security Agreement

in which the lien on and security interest in the Trademark Collateral is released, the Administrative Agent shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper, or as the Grantor shall reasonably request, in each case, to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

*Section 5. Acknowledgment.* The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

*Section 6. Loan Document, Etc.* This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

*Section 7. This Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which are hereby consented to and shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
