TRADEMARK ASSIGNMENT

This Trademark Assignment is effective as of August 25, 2022 ("Effective Date") by and between UnitedHealth Group Incorporated, a corporation organized under the laws of the State of Delaware in the United States of America, having an address of 9900 Bren Road East, MN008-T202, Minnetonka, Minnesota 55343 ("Assignor"), and Optum, Inc., a corporation organized under the laws of the State of Delaware in the United States of America, having an address of 9900 Bren Road East, MN008-T202, Minnetonka, Minnesota 55343 ("Assignee").

WHEREAS, Assignee desires to acquire the marks listed in Exhibit A (the "Marks") and all rights in the Marks, including the goodwill of the business associated with the Marks, as well as any and all common law rights in the Marks, and the trademark registrations associated with the Marks; and

WHEREAS, Assignor agrees to transfer all of its rights in the Marks, including the goodwill associated with the Marks, to Assignee;

NOW THEREFORE, for valuable consideration of ten U.S. dollars (\$10), the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Assignor hereby conveys, transfers, and assigns to Assignee all right, title, and interest in and to the Marks, including but not limited to all common law rights in the Marks and registrations for the Marks, along with the goodwill of the business symbolized thereby. Assignor further assigns to Assignee all rights to sue for and receive all damages occurring from past infringing uses of the Marks.

Assignor agrees that at any time and from time to time after execution of this assignment, at the request of Assignee and without further consideration, Assignor will execute and deliver such other instruments and take such action as Assignee may reasonably request to transfer, convey, and assign to Assignee, and to confirm Assignee's right, title, and interest in and to the Marks, and to assist Assignee in exercising all rights with respect to the Marks.

Nothing in this assignment, express or implied, is intended or will be construed to confer upon, or give to, any person or entity, other than the parties to this assignment, any rights, remedies, obligations, or liabilities. This assignment will bind and inure to Assignee and Assignor and their respective successors and assigns. This assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same.

The undersigned parties have executed this transfer and assignment effective as of the Effective Date.
