CONFIRMATION OF ASSIGNMENT OF TRADEMARK RIGHTS

This Confirmation of Assignment of Trademark Rights (hereinafter referred to as "Assignment") is effective May 22, 2007 ("Effective Date") by and between Amazon.com, Inc., a Delaware corporation whose address is 410 Terry Ave N, Seattle, Washington, 98109 ("Assignor") and Amazon Technologies, Inc., a Nevada corporation whose address is 410 Terry Ave N, Seattle, Washington, 98109 ("Assignee").

WHEREAS, Assignor assigned certain trademarks and registrations together with the goodwill associated with and symbolized by said trademarks to Assignee on May 22, 2007, as reflected in the Assignment of Trademark Rights recorded on May 23, 2007 at REEL/FRAME 3547/0766 (the "ATR") and the Confirmation of Assignment of Trademark Rights recorded on December 18, 2008 at REEL/FRAME 3906/0338;

WHEREAS, the parties agreed and intended that all use of said trademarks by Assignor following assignment would inure to the benefit of Assignee;

WHEREAS, due to a clerical error, the last sentence of the 4th paragraph of the ATR states "All such uses by Assignee shall be on behalf of and inure to the benefit of Assignor."

WHEREAS, Assignor and Assignee wish to confirm the foregoing assignments and terms of the ATR.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. "Exhibit 1" means Exhibit 1 to the ATR which bears the heading "Exhibit 1." A copy of said Exhibit 1 is attached to this Assignment.
2. As of the Effective Date, Assignor did assign unto Assignee all rights, title, and interest as Assignor possessed in and to the trademarks and registrations set forth in Exhibit 1 together with the goodwill associated with and symbolized by said trademarks.

3. Assignor and Assignee represent and agree that due to a clerical error the last sentence of the 4th paragraph of the ATR stated “All such uses by Assignee shall be on behalf of and inure to the benefit of the Assignor”; however, Assignor and Assignee’s intent and agreement on and after the Effective Date was and is that “All such uses by Assignor shall be on behalf of and inure to the benefit of Assignee.”

4. On and after the Effective Date, all use by Assignor of the marks set forth in Exhibit 1 to the ATR and this Assignment has inured to the benefit of Assignee, and unless Assignor and Assignee otherwise agree hereafter, shall continue to inure to the benefit of Assignee.

5. As of the Effective Date, Assignor and Assignee have rectified the ATR to change the last sentence of the 4th paragraph to “All such uses by Assignor shall be on behalf of and inure to the benefit of Assignee.”

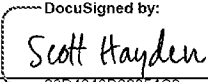

6. This Assignment and the provisions herein shall be binding upon and shall inure to the benefit of the parties and their respective successors and permitted assigns.

7. This Assignment may be executed electronically, and an electronic signature constitutes an original.

8. This Assignment, and any disputes arising out of or relating to this Assignment, shall be governed by and construed under the laws of the State of Washington, without reference to its conflicts of law principles.
