This TRADEMARK SECURITY AGREEMENT, dated as of September 1, 2022 (this “Trademark Security Agreement”), is made by Novelis Inc. a corporation amalgamated under the Canada Business Corporations Act and having its corporate office at Two Alliance Center, 3560 Lenox Road, Suite 2000, Atlanta, GA 30326, USA (the “Assignor”), in favor of STANDARD CHARTERED BANK, a company incorporated in England by Royal Charter, with reference number ZC18 and whose registered office is 1 Basinghall Avenue, London EC2V 5DD, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the “Assignee”).

WITNESSETH:

WHEREAS, the Assignor is party to that certain Credit Agreement, dated as of January 10, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among, *inter alios*, AV Metals Inc., a corporation formed under the Canada Business Corporations Act, the Assignor and other borrowers and guarantors party thereto, the lenders party thereto, and Standard Chartered Bank, as Administrative Agent and Collateral Agent; and

WHEREAS, the Assignor is party to that certain Security Agreement, dated as of January 13, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), made, *inter alios*, by the Assignor and the other guarantors from time to time party thereto, as pledgors, assignors and debtors, in favor of the Assignee pursuant to which the Assignor is required to execute and deliver this Trademark Security Agreement; and

WHEREAS, AV Metals Inc. and the Assignor consummated a merger as of the date hereof, pursuant to a plan of arrangement under the Canada Business Corporations Act, of AV Metals Inc. and the Assignor, following which the Assignor was the sole surviving Person (the “Amalgamation”); and

WHEREAS, AV Minerals (Netherlands) N.V., the Assignor and the Assignee, amongst others, entered into that certain Reaffirmation and Joinder Agreement (TL) (the “Reaffirmation”), pursuant to which the Assignor (i) confirmed and reaffirmed, amongst other things, that all prior grants by the Assignor of security interests in favor of the Assignee for the benefit of the Secured Parties under any relevant Loan Document to which the Assignor was a party shall continue and remain in effect and be binding upon the Assignor following the Amalgamation, and (ii) granted and pledged to the Assignee for the benefit of the Secured Parties, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, a Lien on and security interest in, all of its right, title and interest in, to and under the Pledged Collateral, including the Pledged Trademark Collateral.

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and the Assignee hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement. For purposes of this Trademark Security Agreement, the term “Trademarks” shall mean, collectively, all trademarks (including service marks and certification marks), slogans, logos, certification marks, trade dress, Internet Domain Names, corporate names and trade names, whether registered or unregistered

(whether statutory or common law and whether established or registered in the United States or any other country or any political subdivision thereof), together with any and all (i) registrations and applications for any of the foregoing, (ii) goodwill connected with the use thereof and symbolized thereby, (iii) rights and privileges arising under applicable law with respect to the use of any of the foregoing, (iv) reissues, continuations, extensions and renewals thereof and amendments thereto, (v) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof, (vi) rights corresponding thereto throughout the world and (vii) rights to sue for past, present and future infringements, dilutions or other violations thereof.

**SECTION 2. Reaffirmation and Grant of Security Interest in Trademark Collateral.**

The Assignor hereby confirms and reaffirms that all prior grants by the Assignor of security interests in the Pledged Trademark Collateral in favor of the Assignee for the benefit of the Secured Parties under any relevant Loan Document to which the Assignor was a party shall continue and remain in effect and be binding upon the Assignor following the Amalgamation. As collateral security for the payment and performance in full of all the Secured Obligations, the Assignor hereby pledges and grants to the Assignee for the benefit of the Secured Parties, a lien on and security interest in all of the right, title and interest of the Assignor in, to and under the following property, wherever located, and whether now existing or hereafter arising or acquired from time to time (collectively, the "Pledged Trademark Collateral"):

(a) all Trademarks of the Assignor, including, without limitation, the registered and applied-for Trademarks of the Assignor listed on Schedule I attached hereto; and

(b) all Proceeds and products of each of the foregoing and all accessions to, substitutions and replacements for, and rents, profits and products of, each of the foregoing, and any and all Proceeds of any insurance, indemnity, warranty or guaranty payable to the Assignor from time to time with respect to any of the foregoing.

Notwithstanding anything to the contrary contained in clauses (a) and (b) above, the lien and security interest created by this Trademark Security Agreement shall not extend to any Excluded Property.

**SECTION 3. Security Agreement.** The lien and security interest granted by the Assignor pursuant to this Trademark Security Agreement is granted in conjunction with the lien and security interest granted to the Assignee pursuant to the Security Agreement and Reaffirmation and the Assignor hereby acknowledges and affirms that the rights and remedies of the Assignee with respect to the lien and security interest in the Pledged Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement and Reaffirmation. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement or Reaffirmation, the provisions of the Security Agreement and Reaffirmation shall control unless the Assignee shall otherwise determine.

**SECTION 4. Recordation.** The Assignor hereby authorizes and requests that the Commissioner of Trademark of the United States record this Trademark Security Agreement.
