**TERMINATION AND RELEASE OF INTELLECTUAL
PROPERTY SECURITY AGREEMENT**

This **TERMINATION AND RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this “**Termination and Release**”) is granted as of August 26, 2022 by **SILICON VALLEY BANK**, a California corporation, with a loan production office located at 505 Howard Street, 3rd Floor, San Francisco, California 94105 (“**Bank**”), in favor of **EVERLANE, INC.**, a Delaware corporation (the “**Grantor**”).

WHEREAS, the Grantor executed and delivered an Intellectual Property Security Agreement, dated as of February 21, 2020 (the “**Agreement**”), granting to the Bank a security interest in all of its right, title and interest, whether presently existing or hereafter acquired, in, to and under its Intellectual Property Collateral (as defined in the Agreement), including the Patents (as defined in the Agreement), notice of which was recorded with the United States Patent and Trademark Office (“**USPTO**”) on February 21, 2020 at Reel 051890, Frame 0259, and the Trademarks (as defined in the Agreement), notice of which was recorded with the USPTO on February 21, 2020 at Reel 6869, Frame 0331;

WHEREAS, the obligations secured by said security interest have been paid in full or otherwise satisfied;

WHEREAS, Grantor has requested that Bank hereby terminate, release and discharge fully its security interests in and liens on all right, title and interest of Grantor in, to and under all of the Intellectual Property Collateral (as defined in the Agreement), as herein provided; and

WHEREAS, Grantor has requested that the Bank provide a document suitable for recording with the USPTO to evidence the release of the Bank’s security interests in and liens on the Intellectual Property Collateral (as defined in the Agreement), as herein provided.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Bank hereby:

1. releases, terminates and discharges fully all liens and security interests under the Agreement in Grantor’s right, title and interest in, to and under the Intellectual Property Collateral (as defined in the Agreement), including, without limitation, those patents and patent applications identified in Schedule I hereto and those trademarks and trademark applications identified in Schedule II hereto as of the date set forth above;
2. assigns and transfer to the Grantor, without warranty or recourse, all of its right, title and interest in and to the Grantor’s Intellectual Property Collateral (as defined in the Agreement) and the related registrations and goodwill, effective as of the date set forth above;
3. authorizes and requests that this Termination and Release be recorded with the USPTO; and

4. agrees to execute, acknowledge and deliver all such further instruments and to take all such further actions as may be reasonably requested or are required in order to more fully and effectively carry out the purposes of this Termination and Release at the Grantor's sole cost and expense.

This Termination and Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Termination and Release and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the United States and the State of California, without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction).

IN WITNESS WHEREOF, the undersigned has executed this Termination and Release by its duly authorized officer as of the date first above written.
