GRANT OF SECURITY INTEREST IN TRADEMARKS

This **GRANT OF SECURITY INTEREST IN TRADEMARKS** (this "Agreement"), dated as of May 28, 2021, is made by and among the parties identified as "Grantors" on the signature pages hereto (each, individually, a "Grantor", and collectively, the "Grantors") and BANK OF AMERICA, N.A., as collateral agent for the Secured Parties (in such capacity, the "Collateral Agent").

WHEREAS, a credit facility was established in favor of Barnes & Noble Education, Inc., a Delaware corporation (the "Lead Borrower"), and the other borrowers party to the Credit Agreement (as defined herein) (collectively with the Lead Borrower, the "Borrowers" and, collectively, with the Guarantors (as defined therein), the "Loan Parties"), pursuant to the terms of that certain Credit Agreement, dated as of August 3, 2015 (as amended by the First Amendment to Credit Agreement, dated as of February 27, 2017, as further amended by the Second Amendment to Credit Agreement, dated as of March 1, 2019, as further amended by the Third Amendment and Waiver to Credit Agreement and First Amendment to Security Agreement dated as of March 31, 2021 (the "Third Amendment"), and as further amended, modified, extended, restated, replaced, or supplemented from time to time, the "Credit Agreement"), by and among the Loan Parties, the Lenders party thereto and Bank of America, N.A., as Administrative Agent (in such capacity, the "Administrative Agent"), L/C Issuer and Swingline Lender; and

WHEREAS, under the Security Agreement, dated as of August 3, 2015, made by the Grantors (amongst other grantors) and the Collateral Agent (as amended, amended and restated, restated, supplemented or otherwise modified and in effect from time to time, the "Security Agreement"), each Grantor granted to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in, and a right to set off against, any and all right, title and interest of such Grantor in and to the Collateral (as defined in the Security Agreement), including in (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and the goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office ("USPTO") or in any similar office or agency of the United States or any state thereof, and (b) all renewals thereof ("Trademarks"); and

WHEREAS, pursuant to the terms of the Security Agreement and the Third Amendment, the Grantors are required to execute this Agreement.

NOW, THEREFORE, in consideration of these premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. **Definitions.** Unless otherwise defined herein, capitalized terms used herein shall have the meanings given to such terms in the Security Agreement and, if not defined therein, in the Credit Agreement.

SECTION 2. **Grant of Security Interest.** To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or

otherwise, of the Obligations, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in, and a right to set off against, any and all right, title and interest of such Grantor in and to all of Trademarks, whether now owned or existing or owned, acquired or arising hereafter, including the trademark registrations and trademark applications set forth on Schedule 1 hereto (collectively, the “Trademark Collateral”). Notwithstanding anything to the contrary contained in this Section 2, the security interest granted under this Agreement shall not extend to, and the Trademark Collateral shall not include, any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of or render void or result in the cancellation of, any registration issued as a result of such intent-to-use trademark applications under applicable Law; provided that upon submission to and acceptance by the USPTO of an amendment to allege pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Trademark Collateral. The Grantors and the Collateral Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest created hereby in the Trademark Collateral is not to be construed as an assignment of any Trademarks.

SECTION 3. **Purpose.** This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the USPTO.

SECTION 4. **Acknowledgment.** Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall constitute one and the same instrument. It shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart. Delivery of an executed counterpart of a signature page of this Agreement by fax transmission or other electronic mail transmission (e.g. “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 6. **Governing Law; Submission to Jurisdiction; Venue; WAIVER OF JURY TRIAL.** The terms of Sections 10.14 and 10.15 of the Credit Agreement with respect to governing law, submission to jurisdiction, venue and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Grant of Security Interest in Trademarks to be duly executed by their respective authorized officers as of the day and year first above written.
