## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is made and effective as of September 1, 2022 by and between EpiWorks, Inc., an Illinois corporation ("Assignor"), and II-VI Delaware Inc., a Delaware corporation ("Assignee"). Assignor and Assignee are sometimes individually referred to as a "Party" and, collectively, as the "Parties."

- A. Assignor has adopted and used the trademarks identified on Schedule A attached hereto, for which Assignor owns federal applications and registrations in the United States Patent and Trademark office and other trademark offices around the world (the "Trademarks");
- B. Assignee desires to acquire Assignor's entire right, title, and interest in and to the Trademarks, together with the associated goodwill;
- C. The parties wish to execute this Assignment for purposes of evidencing the transfer of the Trademarks and to allow Assignee to file this Assignment with the United States Patent and Trademark Office and other foreign trademark offices; and
- D. Assignor hereby acknowledges and agrees that from and after the date hereof, Assignee shall be the exclusive owner of all of Assignor's right, title, and interest in and to the Trademarks.

In consideration of the mutual covenants and agreements set forth below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

1. Assignment. Assignor hereby irrevocably and unconditionally conveys, transfers, and assigns to Assignee all of Assignor's right, title, and interest in and to the Trademarks, and the goodwill and all rights associated therewith, and all other corresponding rights that are or may be secured under the laws of the United States and any other jurisdiction. Assignor and Assignee shall execute and deliver such instruments and take such other actions as may reasonably be required to carry out the intent of this Assignment and to evidence and effectuate the transactions contemplated herein.

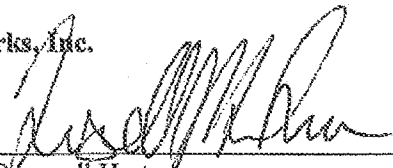

2. Recordation. Assignor authorizes the United States Patent and Trademark Office, and any official of any country or countries foreign to the United States whose duty it is to receive or register trademarks or applications therefor, to record Assignee as the owner of the Trademarks and to issue all registrations for the Trademarks in the name of Assignee. Assignor shall, at Assignee's reasonable expense, execute and deliver such instruments and take such other actions as may reasonably be required in order to carry out the intent of this Assignment and to evidence and effectuate the transactions contemplated herein.

3. General. This Assignment may not be amended except by execution and delivery of an instrument in writing signed by officers of Assignor and Assignee on behalf of Assignor and Assignee. This Assignment and the obligations hereunder are not intended to confer any rights or remedies to any third party and are not intended to operate, in anyway, as an agreement for the benefit of any third party. This Assignment shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns. This Assignment may be executed in facsimile or other electronic means and in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

[Signature Page Follows]

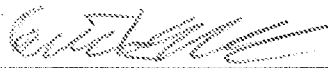

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed, as of the date first written above.
