NOW, THEREFORE, in consideration of the premises and covenants set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Assignment. As part of the assignment of the Assigned Rights in accordance with Clause 2.1 of the IP Assignment Agreement, the Assignor hereby sells, transfers, assigns, conveys, and delivers to the Assignee, and the Assignee hereby purchases, acquires, and accepts from the Assignor, all of the Assignor's right, title, and interest in, to and under the Trademarks, including all (i) common law rights and rights of priority with respect to the same, (ii) rights to collect royalties, income and proceeds in connection therewith, (iii) rights to sue and recover for past, present, and future infringement, dilution, or other violation of such Trademarks against any Persons (regardless of whether or not such claims and causes of action have been asserted by the Assignor), (iv) the right to claim, retain and recover damages, lost profits and any other remedy in respect of the aforesaid, (v) legal goodwill associated therewith, and (vi) equivalent rights that, now or hereafter, may be secured under the Laws of any jurisdiction, including all registrations, renewals, extensions, combinations and applications for any of the rights referred to above in this Section 1.

Section 4. Counterparts. At the request of any party hereto, each other party hereto will re-execute original forms thereof and deliver them to all other parties. No party hereto will raise the use of a facsimile machine, .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of facsimile machine, .PDF or other electronic transmission as a defense to the formation of a Contract and each such Party forever waives any such defense.
