**ASSIGNMENT OF TRADEMARKS AND
ACCOMPANYING REGISTRATIONS AND GOODWILL**

August 31, 2022

THIS TRADEMARK ASSIGNMENT AGREEMENT (this “**Trademark Assignment**”) is effective as of the date set forth above (the “**Effective Date**”) by and between Derma Sciences, Inc., a Delaware corporation, having an address of 1100 Campus Road, Princeton, NJ 08540 (“**Assignor**”), and Gentell, LLC, a Delaware limited liability company, having an address of 2701 Bartram Road, Bristol, PA 19007 (“**Assignee**”).

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby irrevocably sell, assign, transfer, convey and set over to Assignee all of Assignor’s worldwide rights, title and interest in and to the trademarks listed on Exhibit A attached hereto (collectively, the “**Marks**”) and the applications and registrations therefor, any renewals or extensions of such applications and registrations, and all rights therein and thereto in any country or locality worldwide, including but not limited to any and all royalties, fees, income, payments and other proceeds now or hereafter due and payable with respect to any and all of the Marks, together with the goodwill of the business in connection with which the Marks are used and which is symbolized by the Marks and the resulting right to recover damages and profits for past, present, or future infringements or unauthorized uses thereof, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made.
2. Recordation. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by the Assignee. Following the date hereof and for a period of 12 months thereafter, upon the Assignee’s reasonable request, and at the Assignee’s sole cost and expense, each of the Assignors shall take such steps and actions, and provide such cooperation and assistance to the Assignee, its Affiliates and its and their successors, assigns and representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Assigned Rights to the Assignee, or any assignee or successor thereto.
3. Further Actions. Assignor agrees to execute and deliver at the request of Assignee, any papers, instruments and assignments reasonably necessary to vest in Assignee all of Assignor’s right, title and interest in and to the Marks and the applications and registrations therefor and/or to provide evidence to support such assignment in the event such evidence is reasonably necessary and to the extent such evidence is in the possession or control of Assignor.
4. Binding Effect. This Trademark Assignment and all of the provisions hereof shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and permitted assigns.
5. Counterparts. This Trademark Assignment may be executed in counterparts, any one of which may be by digital imaging device (i.e., pdf format) or other means of electronic transmission, all of which taken together shall constitute one and the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto.

6. Governing Law. This Trademark Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
7. Construction. The captions used in this Trademark Assignment are for convenience of reference only and do not constitute a part of this Trademark Assignment and shall not be deemed to limit, characterize or in any way affect any provision of this Trademark Assignment, and all provisions of this Trademark Assignment shall be enforced and construed as if no caption had been used in this Trademark Assignment. As used herein, the words “including” (and with correlative meaning “include” and “includes”) means including without limiting the generality of any description preceding or succeeding such term.
8. Severability. Whenever possible, each provision of this Trademark Assignment will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Trademark Assignment is held to be prohibited by or invalid under applicable Law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Trademark Assignment.
