ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS (this “Assignment”), dated as of August 10, 2022, is entered into by and between ZEEKIT ONLINE SHOPPING LTD., a corporation organized under the laws of Israel (“Assignor”), and WALMART INC., a Delaware corporation (“Assignee”).

WHEREAS Assignor is the owner of all right, title, interest, and goodwill in and to the trademarks, trademark registrations and applications listed in the attached **Schedule A** (the “Trademarks”); and

WHEREAS, Assignor has agreed to assign, sell and transfer its entire right, title and interest in and to the Trademarks to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

Assignor does hereby assign, sell and transfer to Assignee all of its right, title and interest in and to the Trademarks. Assignor does further consent to the recordation of this Assignment with any governmental agency.

Assignor authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office and any other national, federal, and state government officials to record and register this Assignment upon request by Assignee. Assignor agrees to (a) execute all oaths, assignments, applications, and other papers and documents necessary to fully secure to Assignee the right, title and interest conveyed herein and to perfect such right, title, and interest in and to Assignee, its successors, assigns, and legal representatives and (b) take such further actions as may be reasonably requested by Assignee in order to carry out the provisions and purposes of this Assignment including, without limitation, to execute one or more further assignments covering the Trademarks in a form acceptable for recordation in the United States Patent and Trademark Office or any applicable foreign equivalent.

In the event that Assignor is unable or unwilling to fully perform its obligations under this Assignment, to the extent necessary to perfect such right, title, and interest in and to Assignee, its successors, assigns, and legal representatives, Assignor hereby irrevocably designates and appoints Assignee or its assigns and their duly authorized officers and agents as Assignor’s agents and attorneys-in-fact to act for and in Assignor’s behalf and instead of Assignor, to execute and file any registration, application or other document and to do all other lawfully permitted acts in connection with the Trademarks and related rights assigned to Assignee hereunder.

This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice of law or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Assignment and of signature pages by facsimile or electronic (PDF) counterpart signatures shall be acceptable and binding.

This Assignment is executed pursuant to, in furtherance of and is subject to, the terms and conditions of the Purchase Agreement. This Assignment shall not replace, substitute, expand or extinguish any obligation or

provision of the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall control.
