**TRADEMARK ASSIGNMENT AGREEMENT**

This Trademark Assignment Agreement (“Assignment”) is made and entered into as of June 16, 2022 between Labs.Dental Inc., a Delaware corporation (“Assignor”), and Chromium Dental II LLC, a Delaware limited liability company (“Assignee”). Assignor and Assignee are referred to herein individually as a “Party” and collectively as the “Parties.”

**WHEREAS**, this Assignment is being executed and delivered in connection with that certain Asset Purchase Agreement dated June 16, 2022 (“Purchase Agreement”), pursuant to which, among other things, Assignor has agreed to sell, assign, transfer, convey and deliver to Assignee all right, title and interest in and to the Business Intellectual Property (as defined in the Purchase Agreement), including but not limited to the trademarks and applications and registrations therefor identified on the attached Schedule A and the goodwill of the business symbolized by the aforesaid trademarks, effective as of the Effective Date.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in accordance with the terms and conditions set forth in the Purchase Agreement, the Parties agree as follows:

1. Assignment. Assignor does hereby sell, assign, convey, transfer and deliver to Assignee, its successors and assigns all of Assignor’s right, title and interest in and to the trademarks and applications and registrations therefor listed on the attached Schedule A, together with the ongoing and existing business of Assignor to which the trademarks pertain and the goodwill associated with the trademarks and symbolized thereby, and all other rights accruing thereunder or pertaining thereto, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, including all claims, causes of actions and rights to pursue and collect damages, costs, injunctive relief and other remedies for past, current or future infringement or dilution of any of the trademarks and all income, royalties or payments due or payable as of the Effective Date or thereafter in respect of any of the foregoing.
2. Purchase Agreement. Notwithstanding anything in this Assignment to the contrary, nothing in this Assignment, express or implied, is intended or shall be construed to modify, expand or limit in any way the terms and conditions of the Purchase Agreement, all of which shall survive the delivery of this Assignment to the extent provided in the Purchase Agreement. To the extent that any provision of this Assignment conflicts or is inconsistent with the terms and conditions of the Purchase Agreement, the Purchase Agreement will govern.
3. Further Assurances. Assignor shall execute any further documents or instruments, and take further actions, as reasonably requested by Assignee and necessary to confirm, record or otherwise carry out the purposes or intent of this Assignment.
4. Recordation. Assignor authorizes and requests the Commissioner of the U.S. Patent and Trademark Office and any other similar Governmental Authority in countries foreign to

the United States to record Assignee as the assignee and owner of the aforesaid trademarks, and to issue any and all trademark registrations thereon to Assignee.

5. Counterparts. This Assignment may be signed in any number of counterparts, each of which will be an original, with the same effect as if the signatures were upon the same instrument. Signatures to this Assignment transmitted by electronic facsimile, electronic mail in Portable Document Format or by any other electronic means will be deemed to be the delivery of an original counterpart of this Assignment.
