AFTER-ACQUIRED INTELLECTUAL PROPERTY SECURITY AGREEMENT
(SECOND SUPPLEMENTAL FILING)

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (SECOND SUPPLEMENTAL FILING), effective as of June 29, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “Second Supplemental Intellectual Property Security Agreement”), is made by GENERAC POWER SYSTEMS, INC., a Wisconsin corporation (the “Grantor”) in favor of JPMORGAN CHASE BANK, N.A., as administrative agent (in such capacity and together with its successors and assigns, the “Administrative Agent”), for the Secured Parties (as defined in the Collateral Agreement referred to below).

WHEREAS, GENERAC POWER SYSTEMS, INC., a Wisconsin corporation (the “Borrower”), entered into that certain Credit Agreement, dated as of February 9, 2012, as amended and restated as of May 30, 2012, as further amended and restated as of May 31, 2013 (as the same may be further amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Borrower, GENERAC ACQUISITION CORP., a Delaware corporation (“Holdings”), the LENDERS party thereto from time to time, the Administrative Agent and the other agents named therein;

WHEREAS, as a condition precedent to the obligations of the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement the grantors thereunder executed and delivered that certain Guarantee and Collateral Agreement, dated as of February 9, 2012, as amended and restated as of May 30, 2012 (as amended, supplemented, restated, amended and restated or otherwise modified from time to time, the “Collateral Agreement”) to the Administrative Agent for the ratable benefit of the Secured Parties (capitalized terms used and not defined herein have the meanings given such terms in the Collateral Agreement);

WHEREAS, under the terms of the Collateral Agreement, the Grantor has granted a security interest in certain property, including, without limitation, certain Intellectual Property, including but not limited to After-Acquired Intellectual Property of the Grantor to the Administrative Agent for the ratable benefit of the Secured Parties, and has agreed as a condition thereof to execute this Second Supplemental Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office and the United States Copyright Office;

WHEREAS, the Intellectual Property Security Agreement, dated as of February 9, 2012, was recorded on March 15, 2012 against certain United States Patents at Reel/Frame 027873/0088, the Intellectual Property Security Agreement was recorded on March 15, 2012 against certain United States Trademarks at Reel/Frame 004737/0595, and a supplemental Intellectual Property Security Agreement, dated as of May 30, 2012, was recorded on June 8, 2012 against certain United States Patents at Reel/Frame 028342/0321.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in and to all of Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of Grantor's Obligations:

(a) all Trademarks (other than any Excluded Assets), including, without limitation, each U.S. registration and application identified in Schedule 1 attached hereto;

(b) all Patents (other than any Excluded Assets), including, without limitation, each U.S. issued Patent and Patent application identified in Schedule 1 attached hereto;

(c) all Copyrights (other than any Excluded Assets), including, without limitation, each U.S. Copyright registration and application identified in Schedule 1 attached hereto;

(d) all Trade Secrets (other than any Excluded Assets) and any of (a), (b) or (c) to which Grantor is an exclusive licensee of any United States Trademark, Patent or Copyright, as identified in Schedule 1 attached hereto; and

(e) any and all proceeds of the foregoing.

SECTION 2. Recordation. Grantor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this Second Supplemental Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or other electronic transmission, including ".pdf" or ".tif"), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Second Supplemental Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York without regard to conflict of laws principles thereof that would require application of laws of another state.

SECTION 5. Conflict Provision. This Second Supplemental Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Collateral Agreement and the Credit Agreement. In the event that any provisions of this Second Supplemental Intellectual Property Security Agreement are in conflict with the Collateral Agreement or the Credit Agreement, the provisions of the Collateral Agreement or the Credit Agreement shall govern. Unless otherwise defined herein, terms defined in the Collateral Agreement and used herein have the meaning given to them in the Collateral Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned has caused this Second Supplemental Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
