TRADEMARK SECURITY AGREEMENT

September 22, 2022

WHEREAS, each of the signatories hereto (each, the "Assignor") has adopted and holds all right title and interest in and to the trademarks and service marks listed on the attached Schedule A (excluding, for clarity, any intent-to-use trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office), which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Assignor has entered into a Pledge and Security Agreement, dated as of July 21, 2021 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"; all capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement), in favor of Blue Torch Finance LLC, as the Collateral Agent for itself and certain lenders (in such capacity, together with its successors and assigns, if any, the "Assignee"); and

WHEREAS, pursuant to the Security Agreement, the Assignor has assigned to the Assignee and granted to the Assignee for the benefit of the Secured Parties (as defined in the Security Agreement) a continuing security interest in all right, title and interest of the Assignor in, to and under the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement);

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby pledge and grant to the Assignee for the benefit of the Assignee and the Secured Parties a continuing security interest in the Collateral (other than, to the extent provided in the Security Agreement, any Excluded Property) to secure the prompt payment, performance and observance of the Secured Obligations.

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

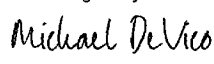

In the event of any conflict between the terms of this agreement and the terms of the Security Agreement, the Security Agreement shall control.

This agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.
