## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is entered into as of September 16, 2022 by and among Dynasty Financial Partners LLC, (the “Grantor”) and Royal Bank of Canada, in its capacity as Administrative Agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”).

### PRELIMINARY STATEMENTS

WHEREAS, the Grantor is party to that certain Security Agreement, dated as of even date herewith (as it may be from time to time amended, restated, amended and restated, replaced, supplemented or otherwise modified, the “Security Agreement”), in favor of the Administrative Agent pursuant to which each Grantor granted to the Secured Parties a security interest in and continuing lien on, certain intellectual property rights owned by each Grantor and pursuant to which each Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Administrative Agent for itself and the ratable benefit of the Secured Parties a continuing lien on and security interest in and to all of its right, title and interest in, to and under (a) all Trademarks owned by or exclusively licensed to each Grantor respectively, including but not limited to the Trademarks listed on Schedule I attached hereto; (b) all extensions or renewals of any of the foregoing; (c) all of the product lines and goodwill of the business connected with the use of and symbolized by the foregoing; (d) the right to sue for past, present and future infringement, dilution or violation of any of the foregoing or for any injury to goodwill; and (e) all Proceeds of the foregoing, including without limitation, licenses, royalties, income, payments, claims, damages and proceeds of suit (collectively, the “Trademark Collateral”). Notwithstanding the foregoing or anything herein to the contrary, in no event shall the “Trademark Collateral” include, or the security interests attach to, any Excluded Asset.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and should not be deemed to grant a broader security interest in the Trademark Collateral than what is granted by each Grantor to the Administrative Agent in the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement

(and are expressly subject to the terms and conditions thereof), the terms and provisions of which are incorporated by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with its terms, the Administrative Agent shall execute, acknowledge and deliver to each Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK AND THE FEDERAL LAWS OF THE UNITED STATES APPLICABLE THEREIN.

**[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]**

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
