TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this “Security Agreement”), made as of September 9, 2022 by and among WRIGHT PLASTIC PRODUCTS CO., LLC, a Michigan limited liability company (“Borrower”), SYNPLASTEC, LLC, a Michigan limited liability company (“Guarantor”, and together with Wright Plastic Products, collectively, the “Grantors” and each a “Grantor”), and BYLINE BANK (the “Bank”), whose address is 180 N. LaSalle St., Chicago, IL 60601.

W I T N E S S E T H

WHEREAS, the Grantors, the other Loan Parties party thereto, if any, and the Bank are parties to a certain Loan and Security Agreement dated as of even date herewith (as amended, restated, modified or supplemented and in effect from time to time, the “Loan Agreement”) and other related loan documents executed in connection therewith (together with the Loan Agreement, and as each may be amended, restated, modified or supplemented and in effect from time to time, collectively, the “Loan Documents”), which Loan Documents provide (i) for the Bank to, from time to time, extend credit to or for the account of the Borrower and (ii) for the grant by each Grantor to the Bank of a security interest in certain of such Grantor’s assets, including, without limitation, its trademarks and trademark applications;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Incorporation of Loan Documents. The Loan Documents and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Loan Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, each Grantor hereby grants to the Bank, and hereby reaffirms its prior grant pursuant to the Loan Documents of, a continuing security interest in such Grantor’s entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications (other than “intent to use” applications until a verified statement of use is filed with respect to such applications) in connection therewith, including, without limitation, the trademark registrations and applications listed on Schedule A attached hereto and made a part hereof and the trademarks, and renewals thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the “Trademarks”); all rights corresponding to any of the foregoing throughout the world and the goodwill of such Grantor’s business connected with the use of and symbolized by the Trademarks.

3. Warranties and Representations. Each Grantor warrants and represents to the Bank that:

(i) No Trademark has been adjudged invalid or unenforceable by a court of competent jurisdiction nor has any such Trademark been cancelled, in whole or in part and each such Trademark is presently subsisting;

(ii) To the knowledge of such Grantor, such Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each Trademark, free and clear of any

liens (other than Permitted Liens), charges and encumbrances, including without limitation, shop rights and covenants by Grantor not to sue third persons;

(iii) No Grantor has any notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iv) Such Grantor has the unqualified right to execute and deliver this Security Agreement and perform its terms.

4. Restrictions on Future Agreements. Except as otherwise set forth herein, each Grantor agrees that until the Obligations shall have been satisfied in full and the Loan Documents shall have been terminated, such Grantor shall not, without the prior written consent of the Bank, sell or assign its interest in any Trademark or enter into any other agreement with respect to any Trademark which would affect the validity or enforcement of the rights transferred to the Bank under this Security Agreement. For the avoidance of doubt, this Security Agreement does not limit or affect any Grantor's right to grant nonexclusive licenses to third parties to use any of the Trademarks or to enter into coexistence agreements or settlement agreements with respect to any of the Trademarks in the ordinary course of business to the extent not otherwise prohibited by the terms of the Loan Documents.

5. New Trademarks. Each Grantor represents and warrants that, based on a diligent investigation by such Grantor, the Trademarks listed on Schedule A constitute all of the federally registered Trademarks, and federal applications for registration of Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) now owned by such Grantor. If, before the Obligations shall have been satisfied in full or before the Loan Documents have been terminated, any Grantor shall (i) become aware of any existing Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) of which such Grantor has not previously informed the Bank, or (ii) become entitled to the benefit of any Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications), which benefit is not in existence on the date hereof, the provisions of this Security Agreement above shall automatically apply thereto and such Grantor shall give to the Bank with reasonable promptness written notice thereof. Each Grantor hereby authorizes the Bank to modify this Security Agreement by amending Schedule A to include any such Trademarks.

6. Term. The term of this Security Agreement shall extend until the payment in full of the Obligations and the termination of the Loan Documents. Each Grantor agrees that upon the occurrence and during the continuance of an Event of Default, the use by the Bank of all Trademarks shall be without any liability for royalties or other related charges from the Bank to any Grantor.

7. Product Quality. Each Grantor agrees to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices.

8. Release of Security Agreement. This Security Agreement is made for collateral purposes only. Upon payment in full of the Obligations and termination of the Loan Documents, the Bank shall take such actions as may be necessary or proper to terminate the security interests created hereby and pursuant to the Loan Documents.

9. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne jointly and severally by Grantors. All reasonable out-of-pocket fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by the Bank in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable

counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid jointly and severally by the Grantors and until paid shall constitute Obligations.

10. Duties of Grantors. Unless such trademark applications or such Trademarks are no longer used or useful in any Loan Party's business (as reasonably determined in good faith by the Loan Party that owns such Trademark), each Grantor shall have the duty (i) to file and prosecute diligently, as commercially reasonable, any trademark applications pending as of the date hereof or hereafter until the Obligations shall have been paid in full and the Loan Documents have been terminated, (ii) to preserve and maintain all rights in the Trademarks, as commercially reasonable and (iii) to ensure that the Trademarks are and remain enforceable, as commercially reasonable. Any expenses incurred in connection with the Obligations under this Section 10 shall be borne jointly and severally by the Grantors.

11. Bank's Right to Sue. After the occurrence and during the continuance of an Event of Default, the Bank shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if the Bank shall commence any such suit, each Grantor shall, at the request of the Bank, do any and all lawful acts and execute any and all proper documents required by the Bank in aid of such enforcement and Grantors shall promptly, upon demand, reimburse and indemnify the Bank for all costs and expenses incurred by the Bank in the exercise of its rights under this Section 11.

12. Waivers. No course of dealing between any Grantor and the Bank, nor any failure to exercise, nor any delay in exercising, on the part of the Bank, any right, power or privilege hereunder or under the Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

15. Cumulative Remedies; Power of Attorney; Effect on Loan Documents. All of the Bank's rights and remedies with respect to the Trademarks, whether established hereby or by the Loan Documents, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Grantor hereby authorizes the Bank upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of the Bank as the Bank may select, in its sole discretion, as such Grantor's true and lawful attorney-in-fact, with power to (i) endorse such Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Bank in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as the Bank deems to be in the best interest of the Bank, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and the Loan Documents have been terminated. Each Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of the Bank under the Loan Documents but rather is intended to facilitate the exercise

of such rights and remedies. the Bank shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the Loan Documents, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois.

16. Binding Effect; Benefits. This Security Agreement shall be binding upon each Grantor and its respective successors and assigns, and shall inure to the benefit of the Bank, its successors, nominees and assigns.

17. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and applicable federal law.

18. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

19. Further Assurances. Each Grantor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as the Bank shall reasonably request from time to time in order to carry out the purpose of this Security Agreement and agreements set forth herein.

20. Survival of Representations. All representations and warranties of each Grantor contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Loan Documents.
