## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("**Trademark Assignment**"), dated as of October 12, 2021, is made by Turetsky Consulting LLC, a Massachusetts limited liability company ("**Seller**") and Salary.com, LLC, a Delaware limited liability company ("**Buyer**"), the purchaser of certain assets of Seller pursuant to the Asset Purchase Agreement between Buyer and Seller (and Mr. David Turetsky), dated as of the date hereof (the "**Asset Purchase Agreement**").

WHEREAS, under the terms of the Asset Purchase Agreement, Seller has conveyed, transferred, and assigned to Buyer, among other assets, certain intellectual property of Seller, and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office;

NOW THEREFORE, Seller agrees as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller hereby irrevocably conveys, transfers, and assigns to Buyer all of Seller's right, title, and interest in and to the following:

- (a) the trademark registrations and trademark applications set forth on Schedule ~~1~~ hereto and all issuances, extensions, and renewals thereof (the "**Assigned Trademarks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks;
- (b) all rights of any kind whatsoever of Seller accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
- (c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
- (d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Seller shall take such steps and actions, and provide such cooperation and assistance to Buyer and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Buyer, or any assignee or successor thereto.

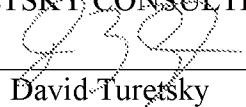

3. Terms of the Asset Purchase Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Asset Purchase Agreement,

to which reference is made for a further statement of the rights and obligations of Seller and Buyer with respect to the Assigned Trademarks. The representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

IN WITNESS WHEREOF, Seller has duly executed and delivered this Trademark Assignment as of the date first written above.
