THIS TRADEMARK ASSIGNMENT AGREEMENT ("Assignment") is entered into as of September 12, 2022 (the "Effective Date"), by and between LANXESS Deutschland GmbH, a limited liability company organized under the laws of Germany ("Assignor"), for the benefit of LANXESS Corporation, a corporation organized under the laws of Delaware ("Assignee").

WHEREAS, the Assignor is the current owner of the trademarks, trademark registrations and trademark applications identified on Exhibit A attached hereto ("Trademarks"); and

WHEREAS, the Assignor agrees to assign the Trademarks to Assignee and the Assignee agrees to accept all of Assignor's right, title, and interest in the Trademarks together with all goodwill symbolized by or associated with the Trademarks.

1. The Assignor hereby irrevocably transfers, sells, assigns, and conveys to the Assignee, its successors and assigns, all rights, title and interest in and to the Trademarks, including all common law rights therein and all applications to register and registrations thereof and the goodwill that they represent, and all right, title and interest thereto, on a world-wide basis. Assignor's Assignment to the Assignee shall include (i) all priority rights or claims based on U.S. or foreign law, international treaties and conventions, and (ii) all rights of action pertaining to the Trademarks, including, without limitation, the right to sue and collect damages and receive all other available remedies in Assignee's own name for any and all past, present or future infringement, misappropriation, dilution, misuse or other injury to the Trademarks and/or the goodwill thereof, the right to secure registration of the Trademarks and of this Assignment, and the right to initiate other proceedings before all government and administrative bodies with respect to the Trademarks.

2. The Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States, whose duty is to issue trademark registrations, to issue the same to the Assignee, its successors, assigns and legal representatives, or to such nominees as the Assignee may designate. The Assignor hereby requests the Commissioner of Patents and Trademarks of the United States to record this Assignment in connection with the Trademarks referenced herein.

3. The Assignor agrees to execute and deliver to the Assignee such instruments of transfer and other documents and perform any other acts as Assignee may request that are reasonably necessary to effect the purposes of this Assignment and establish Assignee's rights in the Trademarks.
