TERMINATION AND RELEASE OF
INTELLECTUAL PROPERTY SECURITY AGREEMENT

This TERMINATION AND RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Termination"), dated as of September 26, 2022, is executed by Western Alliance Bank, an Arizona corporation ("Lender"), in favor of MEDIAMORPH, INC., a Delaware corporation (the "Grantor"). All capitalized terms used in this Termination and not otherwise defined herein, shall have the respective meanings given to such terms in the IP SA (defined below).

RECITALS

A. Pursuant to that certain Intellectual Property Security Agreement, dated as of October 11, 2019 (as amended, restated, amended and restated or modified from time to time, the "IPSA"), by and between Grantor and Lender, Grantor granted to Lender a security interest in the IP Collateral (defined below).

B. The IP SA was recorded with the trademark division of the United States Patent and Trademark Office on October 11, 2019, at Reel/Frame 6770/0253, to evidence the security interest granted under the IP SA.

D. Lender agrees to execute this Termination in order to evidence the termination and release of its security interest in the IP Collateral specified below.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Lender hereby agrees as follows:

(a) Lender expressly terminates and releases and reassigns to Grantor, without warranty or recourse, any and all of Lender's right, title and interest in, to and under Grantor's intellectual property, including, without limitation, the following (collectively, the "IP Collateral"):

(i) any and all copyright rights, copyright applications, copyright registrations and like protections in each work of authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation the copyrights described in Exhibit A attached hereto (collectively, the "Copyrights");

(ii) any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;

(iii) any and all design rights that may be available to Grantor now or hereafter existing, created, acquired or held;

(iv) any and all trademark and service mark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, including without limitation the trademarks described in Exhibit B attached hereto (collectively, the "Trademarks");

(v) any and all patents, patent applications and like protections including without limitation, improvements, divisions, continuations, renewals, reissues, extensions, re-examination

certificates, utility models, and continuations-in-part of the same, including without limitation the patents described in Exhibit C attached hereto (collectively, the "Patents");

(vi) any and all mask works or similar rights available for the protection of semiconductor chips or other products (collectively, the "Mask Works");

(vii) any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(viii) any and all licenses or other rights to use any of the Copyrights, Patents, Trademarks or Mask Works, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(ix) any and all amendments, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(x) any and all proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

(b) Lender represents and warrants that it has the full power and authority to execute this Termination.

(c) Lender authorizes and requests the patent and trademark divisions of the United States Patent and Trademark Office, and the United States Copyright Office, to record this Termination.

[Signature Page Follows]

IN WITNESS WHEREOF, Lender has executed and delivered this Termination as of the day and year first above written.
